DEPARTMENTAL HONORS in BUSINESS ADMINISTRATION

Departmental Honors offers distinction to the best students in the major. This program recognizes accomplishments in the following three areas: scholarship, leadership, and professionalism.

Departmental Honors Requirements:

- Earn a cumulative GPA of 3.5 or above and departmental GPA of 3.5 or above.
- Complete MGMT 4300 (Leadership and Group Effectiveness) and MGMT 4400 (Advanced Organizational Behavior) or SCM 4550 (Strategic Supply Chain Design) on an Honors basis. Taking a Business Administration course on an Honors basis requires a written agreement with the course instructor regarding the work expected for Honors credit and requires getting an “A” grade. This work will likely be similar to completing 1 credit hour (the equivalent of 15 contact hours through independent research) and, in accordance with the Honors learning outcomes, should reflect clear and compelling written expression, open-minded critical thinking, smooth transition from abstract ideas to specific examples, and an appreciation for the variety of human experience.
- Present or publish a research paper or poster in a public forum (e.g., Weber State University Undergraduate Research Symposium; Weber State University Undergraduate Research Journal; Honors Nye Banquet).
- Hold a leadership position in at least one student organization on campus related to your study of interest. Provide a substantive contribution to this organization and submit a reflective paper on this experience.
- Complete 25 hours of community service, job shadowing experience, or internship related to your area of emphasis. Submit a reflective paper on this experience.

Students who have not completed their General Education requirements are encouraged to take Honors General Education classes.
