WEBER STATE UNIVERSITY  
School of Nursing  
WSU/DATC PN to RN (AS/AAS) Program  
APPLICANT CHECKLIST for Spring 2016 / Summer 2016

Please note: this program is for current DATC -PN students during the 2015 /2016 Academic Year who will be eligible in the state of Utah to take PN-NCLEX January 2016. December 2015 graduates must pass PN boards and have a Utah PN license by the end of the 1st semester (Spring 2016) in order to continue beyond the 1st semester. If you are not a current PN student at the DATC then this program is not for you and you should contact Robert Holt at rholt@weber.edu or (801)626-6753 for information related to other PN to RN offerings that are available through Weber State University. E-mail will produce a quicker response.

Questions related to information related to this program should be directed to Robert Holt at rholt@weber.edu (801)626-6753

Application availability: Early-August 2015 for the spring 2016 start date

Duration of program: 2 semesters - Spring Start: [January 2016 start: spring semester 16 and summer 16]: Monday, Jan. 11, 2016

Approximate number of positions available for each cohort (May of each year): everyone graduating December 2015

Applications may apply to only one of WSU’s PN to RN programs per application cycle! So for spring 2016 that means applicants must choose either the WSU/DATC program or the WSU/Online PN to RN program (fall only). (Not both). The contract with WSU/DATC calls for each successful graduate to be admitted to the WSU/DATC PN to RN program upon successful completion of the DATC LPN program as long as students meet the minimum requirements for this program.

Class day(s): TBA.

Clinical Sites: TBA Clinical’s will be required at least once a week through the two semesters of the program (TBA).

Weekly lab’s: plans call for lab’s weekly

Application deadline for the Spring 2016 / Summer 2016 WSU/DATC program: September 15, 2015

APPLICATION REQUIREMENTS (All must be met by application deadline):

1. Cumulative GPA of 3.0 or higher. (All credit from “regionally accredited” colleges added together. May be a 2.5 CUMULATIVE GPA, if you have 5 or more years of work experience as an LPN and your NURSING GPA (NURSING ONLY COURSES ARE STILL ABOVE a 3.0 CUM GPA. See advisor if you have questions)

PREREQUISITES which must be completed before the start of the first semester of the program with “C” or better grades:

- Health Science 1110 -Biomedical Core (4) or Human Anatomy - Zoology 2100 (4) and Human Physiology - Zoology 2200 (4) are acceptable equivalents.

plus the following:

- Chemistry 1050 [or Chemistry 1110] (5)
- Math Quantitative Literacy (Math 1030, 1040 or 1050) -see advisor for additional assistance
- Introductory Psychology - Psychology 1010 (3)
- Introduction to Writing - English 1010 (3)
Additional Graduation Requirements for the PN to RN Program [AAS] (Must be completed by graduation and are not considered prerequisites): Intermediate Writing - English 2010 (3), HU/CA [Humanities or Creative Arts elective course] (3), and 2 Hours of Residency Credit at Weber State. 20 hours total through WSU (Nursing 18 hours + 2 additional hours). Associate of Science (AS) in Nursing: Please note that all admitted students are encouraged to complete all the additional general education requirements for a full Associate of Science Degree. This will enable a graduating RN student to be eligible to apply for progression into the RN to BSN program. If admitted students only graduate with the AAS Degree (Associate of Applied Science) they will not be in a position to apply for progression to the RN to BSN program. Additional general education / university requirements will be required in order to be eligible to apply to the RN to BSN program.

Although there is a position for every graduate from DATC PN program for spring 2016 you must meet the 3.0 CUMULATIVE GPA by the application deadline. Although a point system will not be used as there is a position for each and every one of you, please be aware that progression from RN to BSN for Fall 2016 may use a point system and the following applies (although we do try to accommodate all AS (RN) graduates at the time they are graduating (in some rare instances we may have to postpone some to the following semester):

Pathophysiology 2230 (1 point), Microbiology 1113 (1/2 point) and Nutrition 1020 (1/2 point) course(s) done will all earn extra points in the RN to BSN application process so it is important to have these courses as well as needing the credits towards the 120 for the RN to BSN graduation requirement.

Applicants are strongly encouraged to meet with an advisor before applying to verify that all prerequisites, etc., are completed. In order for the review to be complete, all transcripts must have been sent to WSU admissions for official review. Students must have applied to and be accepted to Weber State University in order to register for classes.

Nursing Courses (all nursing courses must be passed with a “B-“ or better grade):

Physically challenged and learning disabled students must register with the disability office prior to starting the nursing program if special assistance is required. Please call 801-626-6413

Please visit weber.edu/nursefunctreq for the physical requirements of nursing.

If you have a record of criminal actions it may affect your eligibility for admissions to the WSU School of Nursing. Additionally all admitted applicants will be required to complete a mandatory drug test. Admission to the program is contingent upon submission of a satisfactory background check and a negative drug test. If a background check reveals a history of criminal actions or the drug test result is positive for controlled substances (prescription or non-prescription), then the student may not be allowed to begin the program and will not be entitled to any refunds of tuition dollars or other fees.
