Disclaimers

WSU is committed to protecting the personal rights of all responsible students by providing an environment free from harassment and other forms of discrimination based upon race, color, ethnic background, national origin, religion, creed, age, lack of American citizenship, disability, status of veteran of the Vietnam era, sexual orientation or preference, or gender, including sexual/gender harassment. Such an environment is a necessary part of a healthy learning and working atmosphere. Unlawful discrimination undermines human dignity and the sense of community WSU seeks to foster.

Students accepted into the nursing program may be exposed to bloodborne pathogens during their time in the program.

All admitted applicants will be required to complete a mandatory background check and drug screening. Admission to the program is contingent upon submission of a satisfactory background check and a negative drug screening. If you have a record of convicted criminal actions, it may affect your eligibility for admission to the WSU nursing program.

Applicants who have been treated for mental illness or substance abuse should discuss their eligibility status with the Utah State Board of Nursing. Acceptance to the nursing program does not assure eligibility to take the RN graduation licensing examination. The Utah State Board of Nursing makes final decisions on issue of license.

Physically challenged and learning-disabled students must register with the disability office prior to starting the nursing program if special assistance is required. Please call 801-626-6413.

Please visit weber.edu/nursedefunctreq for the physical requirements of nursing.

Advisement

A faculty advisor is assigned to students once they have been accepted into the program. Prior to acceptance, applicants should direct advisement questions to the enrollment director at 801-626-6753.

Our vision for the School of Nursing is to educate and prepare distinguished nursing professionals who are recognized for excellence and passionately engaged in the profession of nursing.
APPLICATION REQUIREMENTS

Application materials are available by contacting the Admissions Advisement Office at 801-626-6136 or healthprofessions@weber.edu.

- Apply to WSU
- Send official transcripts to the admissions office and a copy of your transcripts (with the PN to RN application) to the Dumke College of Health Professions Admissions Office.
- Pay the nursing application fee.

By application deadline meet the following:
Cumulative GPA of 3.0 or above. If you have five or more years’ work experience as a PN, the cumulative GPA requirement is 2.5, as long as the nursing GPA is still a 3.0 or higher.

REVIEW PROCESS

PN to RN applications are reviewed by the School of Nursing Admissions and Advancement Committee. A point system is used to facilitate candidate selection.

ADMISSION REQUIREMENTS

Must be completed prior to entering program.

- Complete the prerequisite classes needed for the PN to RN Program at the time of application. (Prerequisite list available at weber.edu/nursing.) All prerequisite courses must be completed prior to beginning the nursing program.
- Complete or be currently enrolled in a PN program.
- Pass NCLEX-PN by the end of the first semester of the PN to RN year or be licensed as a practical nurse in the state of Utah.

Successful completion of course work does not guarantee admission to nursing programs.

APPLICATION DEADLINES

Application deadlines vary depending upon campus. Applications will be sent out according to the dates listed per campus.

The PN to RN offers working practical nurses, or those eligible to be licensed, an opportunity to enhance their skill base while advancing their careers and earning potential in the health care system.

Weber State University’s (WSU) PN to RN Nursing Program is designed to prepare graduates for entry-level clinical practice as RNs. The program is structured for graduates to receive either an AS or an Associate of Applied Science Degree. Graduates of the PN to RN are eligible for registered nurse licensure upon successful completion of the National Council of State Boards of Registered Nurses exam (RN-NCLEX).
