Book Club Date Change

For those of you participating in the Saturday book group for “The Boy Who Harnessed The Wind,” there has been a change in the day for that meeting. Instead of Saturday March 19th, it has been changed to Saturday April 9th. If you are a part of this group, please make sure that you are still able to attend. If there is a conflict, please speak with Dana right away. The book group will still be held at Dana’s house in North Ogden. Here is a link to the books we are doing this spring.

Make-A-Wish Easter Egg Hunt

We have the opportunity to participate again this year with the Easter Egg Hunt that is put on by the Make-A-Wish Utah foundation. This is a fun event, where we get to help a great organization and interact with kids who have had some major trials in their lives. We run carnival-type games for the children.

This year, we think the hunt will be held here in the Union Building on Saturday, March 19th. If you are interested in participating, please let Dana know ASAP, so we can get an idea of how many people we will have there. It is a great opportunity to spend a morning making a difference and earning service hours.

Also, if you are unable to attend the actual day, but would still like to help out in some way, email Dana. We have a few projects that you could work on before the event to earn service hours.

Catholic Community Services

CCS is looking for help in their food pantry, from about 1-3 pm on either Tuesday February 9th, Wednesday the 10th or Thursday the 11th. We would like to pick a date where a group of Aletheians could all go down and help out together. If you are interested, send an email with the date you could attend to Dana BY Wednesday, February 3rd. We need to have around 15 Aletheians who can all come on the same day in order to make this work, so let us know ASAP!
Service/Social

We would like to hold a combined Social/Service Project sometime within the next month or so. We are planning on having an evening where we can all meet, socialize, have treats, and tie blankets that we will then donate. Participating in this event would give you service hours toward your scholarship requirements.

Another way to earn service hours is to donate or secure donations of fleece material that we will then use to tie into blankets. We will not be able to do this service/social without these donations, so the sooner we have people committed to bring materials, the sooner we can find a date to do this event.

T-Shirts

All of the t-shirts are in, both the first and the second orders. Please come pick up your shirt as soon as possible. We really want to get them out of the office and see you wearing them. Come to Miller Administration, 306 and see Dana!

Hey, I’m an Aletheian too...

Name: Boston Jette Workman
Major: Math Teaching (secondary)
Class: Senior
From: Kaysville, UT (born and raised)
Hobbies: eating dark chocolate, working out, reading, drawing, painting, listening to music, laughing until my stomach hurts and spending time with my friends and family.
Plans for the Future: To one day teach high school math, read lots of books just for fun, travel, try new foods and maybe, eventually take over the world. Just kidding...kind of.

Name: Rachel Wilding
Major: Math Teaching
Class: Junior
From: North Ogden
Hobbies: Flute, piano, French, Albanian, yo-yo-ing, swimming, and reading.
Plans for the Future: I plan on graduating in a couple of years and teaching high school math somewhere in Utah or Arizona. Hopefully I’ll get married within the next 5 years and start a family as well!
Tips for Success

- If you are pressed for time in the mornings and afternoons, and are having trouble finding a chance to grab a bite to eat, look for ready to go meal recipes!
- Lots of healthy and tasty meals can be made the night before, refrigerated or frozen, and then grabbed on-the-go the next morning.
- These can help you stay healthy and focused during the busiest times of the semester!

Campus Resources

- Struggling with Math? Head to the Hub!
- Free math tutoring is available at the Hub, located on the main floor of Lampros Hall.
- Get help with your Math 0810, 0950, 0990, or 1010 homework!
- The hours are:
  - Monday thru Thursday: 7:30 AM to 8:30 PM
  - Friday: 7:30 AM to 5:30 PM
  - Saturday: 9:30 AM to 4:30 PM

“Start by doing what's necessary; then do what's possible; and suddenly you are doing the impossible.”
