New VP

We are pleased to announce that we have hired a new vice president for the club—Corinne Silva! She is very excited to start working to make the club an even better experience for all Aletheians. Happy to have you, Corinne!

2016-2017 Book Clubs

Book clubs for Fall 2016 are open for RSVP on Weber Sync. Please make sure you check “yes” that you will be attending the book club before coming into MA 306 to pick up your copy of the book. Make sure that you pick your book club after you register for classes, as you need to make sure you can attend the one-time meeting in the fall.

New Aletheian Orientation

If you are a new incoming Aletheian, we ask that you attend one of our orientation sessions. This year, they will be held on August 30th at 8 AM, 11:30 AM, and 2 PM in SU 404. It is important to make it to one of these meetings, as we give you information that is vital to your scholarship and success. You will RSVP to this event via WeberSync.

SUB room 404 is kind of hard to find. From the main atrium, look for the bowling alley. You’ll go up a few steps and walk past the bowling alley until you get to the end of the building. There, you can use the stairs or the elevator to the 4th floor and you can’t miss us from there.

Also, if you are not a new Aletheian but would like to attend to get a refresher on requirements and other info, you can RSVP and come as well!

Service Hours

Make sure that you have your 12 service hours completed, logged, and approved in Weber Sync by May 31st. Since they need to be approved by your supervisor by this date, it is best to have them finished and put into Weber Sync a few days before the deadline. If you have any questions, feel free to contact Dana.
Have a great summer, Aletheians!

Honors Classes, Fall 2016

Make sure that you are saving room in your schedule to take an Honors class, either this fall or in the spring. Also, be aware that there are some honors classes not listed under the Honors tab in registration. They will be under their specific subject, and will be marked with H. Keep an eye out, some of these may be helpful for your degree! If you have questions, call Aubrey at 801-626-7591.

Parking Passes

Parking passes have been ordered and will be available for pick-up later in the summer. We will send out a notice letting you know that you can come grab yours.

Have a great summer, Aletheians!
