The Southern Utah Wilderness Alliance Seeks an Enthusiastic Intern for Summer 2016

Working with our team of organizers on a variety of grassroots campaigns, the intern will complement organizers as they conduct activities throughout Utah to demonstrate support for protecting America’s redrock wilderness. Examples of activities include, but are not limited to: coordinating SUWA information tables at summer festivals, fairs and events, identifying locations for and coordinating delivery of Protect Wild Utah lawn signs, organizing activist events, and assisting SUWA's grassroots team.

This internship is based in Salt Lake City at SUWA’s main office at 425 E 100 S and runs from May 16 - July 15, 2016. The intern reports to SUWA’s Utah Grassroots Organizer. Position is unpaid. Hours are part-time but flexible, roughly 8-16 hours/wk, working with SUWA staff on their schedule. Events may include Saturdays. There may be opportunities for the intern to participate in on-the-ground activities in southern Utah during this period.

This is a great opportunity to gain invaluable experience in the day-to-day functions of a nonprofit organization leading one of the most recognized conservation campaigns in the country, including wilderness legislation, national monuments, and legal actions. The experience offers insight into campaign planning, environmental education, and environmental action. The intern will take from the experience a
newfound or reinvigorated passion for grassroots activism and for Utah's redrock country.

Interested applicants should send a one-page cover letter summarizing the reasons why you’re the best candidate, where this opportunity fits into your education, and describing what you intend to do with the experience. Please also include a one-page resume outlining your work and educational background.
