2016-2017 Scholarship Application

Please return this form as a cover sheet (along with the requested information) to be considered for the following departmental scholarships:

- Suzi Nicholson Memorial Scholarship
- Richard and Belva Moyle Scholarship
- Thomas Neff Memorial Scholarship
- Questar Scholarship

Scholarships are based on a combination of academic achievement and need. Awards vary from approximately $400 to $1,200 each, and are available for use during the next academic year (summer 2016-spring 2017). * Please note that the Norman and Barbara Tanner Geosciences Scholarship (located on the back side of this paper) requires a second, separate application.

To be considered for a scholarship you must:

- Attach a statement describing your past accomplishments and future goals in the field of geosciences.
- Share your need for receiving a scholarship to help meet those goals.
- Include a description of any geoscience-related service activities you may have participated in.
- Attach a copy of your CatTracks degree evaluation. The department administrative specialist, Marianne Bischoff, can help you with this.

To be considered for a scholarship you must:

- Attach a statement describing your past accomplishments and future goals in the field of geosciences.
- Share your need for receiving a scholarship to help meet those goals.
- Include a description of any geoscience-related service activities you may have participated in.
- Attach a copy of your CatTracks degree evaluation. The department administrative specialist, Marianne Bischoff, can help you with this.

Applications are due to the Department of Geosciences office by 4:00 pm on Monday, Feb 29, 2016.
