Title of Study: Moral Decision Making

Experiment Open Date: February 6, 2015  Experiment Close Date: March 15, 2015

(IRB) Approval Number: 14-PS-049

Participation Credits: 4 credits

Time (duration): Approximately 60 minutes

Brief Description of Study:
Each participant will be asked to complete a questionnaire regarding demographics. Then, he or she will be given two moral scenarios, one of which will be an example scenario to prepare the participant for the next scenario, which they will be asked to make judgments about.

Participation Criteria
Students between the ages of 18 to 70 may participate in this study.

Location
Participants will meet in the psychology computer lab.

Researchers:
Dr. Aaron Ashley (psychology department)
Brandi Christensen (psychology student)

Questions?
Please contact Dr. Aaron Ashley at aaronashley@weber.edu, or Brandi Christensen at Brandichristensen@mail.weber.edu if you have questions. Please include the Study Number in the subject line of the email.
