PROJECT INFORMATION SHEET

Title of Study: Academic Persistence and Life Satisfaction among Undergraduate Students with Children

Experiment Open Date: July 15th, 2015  Experiment Close Date: August 19th, 2015

(IRB) Approval Number: 15-SS-211

Participation Credits: 1 credit

Time (duration): Approximately 15 minutes

Brief Description of Study:
Each participant will be asked to complete a demographic questionnaire indicating their age, marital status, whether they have children, their living situation, and information about their student life such as class standing and enrollment status. Participants will also be asked to complete the Satisfaction with Life Scale.

Participation Criteria
Students between the ages of 18 to 70 may participate in this study.
