

# How to Download the Clear the Air Challenge Mobile App

## Step 1: Login at [www.Travelwisetracker.com](http://www.Travelwisetracker.com)

- If you do not have an account make one with your Weber State University Email and connect your account with Weber State through “Search Teams and Networks” and “Weber State (associated division: e.g. Students)”. For further help see document “How to join the Clear the Air Challenge with WSU”.
- Continue to **Step 2**.

## Step 2: Once logged-on, in the upper right-hand corner click on “Hi, (your name)” (see image below).

- A drop down menu should appear. Click on “EDIT PROFILE”. This should take you to another page.
- Continue to **Step 3**.

## Step 3: The new page should be titled “Personal Details” with list of options on the left.

- In the options on the left, select “CONNECTED APPS” (sixth option down). It should open a page titled “Connected Apps”.
- **\*NOTE:** Before moving on from “Personal Details” page see that under “HOME ADDRESS INFORMATION” you have input an address or you cannot connect to the app. (See image below)
- Continue to **Step 4**.

**Step 4:** On the page titled “Connected Apps” there are two apps listed. You will need your mobile device for this step to download “Commuter Tracker” on your mobile device specifically for this challenge.

- Once you have downloaded the app on your mobile device, fill out the information requested in the app (use the same email address you used on the TravelWise Tracker). Then it should ask you to connect to a pin.
- A pin should be generated for you on the TravelWise Tracker on the “Connected Apps” page under the “Commuter Tracker” app option (see image below).
- Continue to **Step 5**.
