DEPARTMENT OF ZOOLOGY ADVISING

To declare your Zoology major or minor contact the Zoology Office at 801-626-6165, SL 402, or email zoology@weber.edu for an appointment. Note: All students should verify that they are correctly enrolled. Students with Pre-Professional goals (Pre-Med, Pre-Vet, etc.) should understand that these terms refer to an emphasis of study and not a major.

Majors: See the indicated advisor based on the first letter of your last name. Meet with your advisor often.
