WEBER STATE UNIVERSITY
SCHOOL OF NURSING
TRANSFER STUDENTS

IMPORTANT

If you are taking any of your pre-requisite or support courses from a school other than Weber State during, you MUST submit an official transcript to the School of Nursing prior to the start of the program. The School of Nursing will forward the official transcript to WSU Admissions.

- Failure to show proof of completion of prerequisite or support courses with a “C” grade or better will disqualify you from starting/progressing in the program.
- All PN to RN students expecting to graduate from WSU with an AS or AAS need 20 residency hours at WSU.
  - PN to RN students will be lack 2 credit hours to fulfill the residency hour requirement if you have never taken a course at Weber State.
  - ADN nursing students will meet the residency requirement upon completion of the program.
- In order to progress to the RN to BSN Program, students must obtain an AS in Nursing.
- Transfer students please check your hours very carefully.
  - You can verify your classes and residency hours by logging on to your Weber student portal and running a graduation evaluation through CATTRACKS.
