Revised 4/29/2020

**Notes:** Courses bolded are pre-reqs for program; students can choose to go summers to complete GE and support courses, but this plan is set up for fall and spring only (with the exception of Freshman year).

To have 120 credits for graduation, an Elective (Physical Education - Activity class) for one credit hour is recommended.

Please review the Degree MAP for the AS in Education if you want to receive this along with the Special Education major
