

Dental Hygiene- BS Graduation MAP

WEBER STATE
UNIVERSITY

This is a **suggested** plan. Students are strongly encouraged to meet with a Health Professions academic advisor (801-626-6136 or visit <http://weber.edu/chpadvising>) as soon as possible to create a specific plan to best fit a student's academic needs. Remember, taking an average of 15 credit hours per semester facilitates timely graduation.

Successful completion of all general education requirements or minimum prerequisite requirements does not guarantee admission to Dental Hygiene Program
