

# AAS Degree in Paramedic Studies - Graduation MAP

**WEBER STATE**  
UNIVERSITY

This is a suggested plan. The paramedic core classes may be considered earlier in the sequence. However, the EMT, ENG, Math, A&P, and Medical Terminology requirements must be completed prior to taking PAR 2000 level courses or higher. Meet with an academic advisor to create a specific plan that best fits your academic needs.

This information is for students declared in the 2020-2021 and later catalogs.
