Avoid misadvisement! Consult your academic advisor (weber.edu/advisors), the WSU Catalog (weber.edu/catalog), and your CatTracks degree evaluation (log into your eWeber Student Portal).

This plan outlines a degree in Microbiology customized for students interested in medical professional or graduate school. Requirements vary by program and should be discussed with the Microbiology or your Pre-Professional advisor.

Major GPA of 2.0 or higher required for graduation.

Students completing this plan will also earn a minor in Chemistry.

Most medical schools do not count AP credit earned in high school as a substitute for their prerequisite courses.

If you are interested in the Medical Microbiology Emphasis, Microbiology BS, please talk to a Microbiology advisor.
