WEBER STATE UNIVERSITY - School of Nursing  
RN (2 yr.- 4 semester) Associate Degree (AS)  
“Applicant Checklist” for Spring 2019

Application cycles and positions available:

- **Spring Semester** (January start) – applications available the 1st week of April
  1] Ogden area [60 positions] (may select after admissions) the Ogden Main Campus or WSU/Davis Campus in Layton

- **Fall Semester** (September start) – applications available the 1st week of October
  1] Ogden area [60 positions] (may select after admissions) the Ogden Main Campus or WSU/Davis Campus in Layton

- **Duration of program (4 semesters):**
  
  |  | Spring (January) start: Spring/Fall and Spring/Fall |
  |  | Fall (August) start: Fall/Spring and Fall/Spring |

  **Application deadlines:**
  
  |  | Fall Semester 2019: Early: January 15, 2019 Final: February 1, 2019 (Starts: August 26, 2019) |

Application packets will be available on the WSU Nursing website at weber.edu/nursing at the appropriate time indicated for each application cycle (see above). Additional assistance needed contact the DCHP Admissions Advisement Office at 801-626-6136 or healthprofessions@weber.edu.

**Application Eligibility Requirements** (must meet BOTH criteria by the application deadline to be eligible to apply).

1] □ Nine (9) or more credit hours completed from the **PREREQUISITES** and the **Additional Nursing Support Courses** list (excluding CNA). Of the nine (9) credit hours at least 1 of the 4 Science Specific Courses listed in the “Science Specific Course” list must be completed. All pre-requisites and support courses need to be passed with a “C” or better grade.

2] □ Cumulative GPA of 3.0 or higher (WSU School of Nursing uses a CUMULATIVE GPA from all transcripts that are from “Regionally Accredited” colleges or universities that transfer to Weber State University). All courses must be completed and posted to your college transcripts by the application deadline. [Please note: Early College and Concurrent enrollment courses must be posted to the college transcript by the application deadline as we will not be looking at high school transcripts for these grades. Additionally Independent Study courses must be completed and posted to a college transcript by the application deadline in order to be counted. No exceptions!]

**PREREQUISITES** [FIVE TOTAL - must be completed prior to the start of the nursing program if admitted. All prerequisite courses must be passed with a “C” or better grade]:

| □ CNA or EMT: CURRENT Proof of Certification as a Nursing Assistant (CNA) or a current EMT (Emergency Medical Technician) certificate is required of all accepted applicants. A copy of the certificate/or registry expiration date is required and must be provided prior to the start of the program. For questions concerning the CNA contact the Utah CNA Registry at (801)547-9947. For questions concerning the EMT certificate contact the Bureau of Emergency Medical Services at (801)273-6666. It is highly recommended to have this requirement met by the application deadline as it will help in the selection process. If admitted, your certification must be current at the start of the program that you are admitted to begin. Completion of just the course is no longer acceptable, and admitted applicants must be current. |

| □ Chemistry 1050 - Inorganic/Organic/BioChem* (5) & Chemistry 1110 (5) may be more transferable to other institutions. |

Science Specific Courses [At least 1 of the 4 science specific courses must be completed prior to the application deadline]:

| □ HTHS 1110 - Integrated Anatomy and Physiology I [available WSU only]* (4) *Zool 2100 - Human Anatomy (4), |
| □ HTHS 1111 - Integrated Anatomy and Physiology II [available WSU only]* (4) Zool 2200 - Human Physiology (4) |
| □ Math Quantitative Literacy Requirement (Math Q.L.) (3/4) |

□ Health Science 1110 & 1111 were called Biomedical Core I & II. Health Science 1105 & 1106 are equivalent.

□ Human Anatomy [Zool 2100]* (4) and Human Physiology [Zool 2200]* (4) can be taken in place of Health Science 1110 & 1111.

□ Chemistry- for applicants attending a college or university where Chemistry 1050 is not available, take Chemistry 1110(*).

□ WSU Math Q.L. (Quantitative Literacy Requirement): Completion of one of the following mathematics courses:
  - MATH QL1030, MATH QL1040, or MATH QL1050, or MATH QL1080, or any math course with either MATH QL1050 or MATH QL1080 as a prerequisite. Those with a previous Degree (AS or BS from a “Regionally” Accredited College or University already meet this requirement. LOC or Interstate Passport count as well). Please see advisor for further questions related to this requirement.

Please turn the sheet over for the additional nursing support-general education courses list.
Additional Nursing Support courses (4 additional support courses) [Can be completed prior to start of the nursing program if admitted or during the two year RN (A.S.) program. All support courses must be passed with a “C” or better grade]:

- Psychology (SS) 1010 - Introductory Psychology (3)
- English 1010 - Introduction to Writing (3)
- English 2010 (EN) - Intermediate Writing (3)
- HU or CA - Humanities or Creative Arts Elective (3)

Please Note: In addition to the pre-requisite courses listed on the first page of this document, and the above listed additional nursing support courses, there are additional university level Core, Breadth, and Degree Requirements that must be fulfilled in order to graduate with an Associate of Science Degree and be eligible to take the RN-NCLEX Exam. If you have questions about these additional requirements please see your advisor.  A list of these requirements can be viewed at the following website: [http://documents.weber.edu/catalog/current/](http://documents.weber.edu/catalog/current/)

Selection Process: A competitive point application process takes place when we have more applicants than positions available. Criteria used in the point selection process include (to score the points must be completed by the deadlines): Cumulative GPA; science course GPA (4 courses); Weber State accepted AS Degree in Health Sciences from the DCHP @ WSU (all other DCHP Degrees @ WSU excluding HAS Department Degrees); AS, AA, BS, BS, MS, MA completed and posted to transcripts; Interstate Passport posted to transcripts or documented LOC); science prerequisites completed (4 courses); all science and additional support courses completed (8 courses); Pathophysiology (HTHS 2230), Microbiology (MICRO 1113) and Nutrition (NUTR 1020) course(s) done; CNA/EMT(current); veteran status; alternate; re-applicant status; and early submission (January 15 for fall & August 15 for spring)

For questions related to information on this page please contact the Admissions Advisement Office at (801)626-6136 or e-mail: healthprofessions@weber.edu.

If an applicant has a record of criminal actions it may affect their eligibility for admissions to the WSU Nursing Program. Additionally, all admitted applicants will be required to complete a mandatory drug test. Admission to the program is contingent upon submission of a satisfactory background check and a negative drug test. If a background check reveals a history of criminal actions, or the drug test result is positive for controlled substances (prescription or non-prescription), then the student may not be allowed to begin the program and will not be entitled to any refunds of tuition dollars or other fees.

Physically challenged and learning disabled students must register with the disability office prior to starting the nursing program if special assistance is required. Please call 801-626-6413.

Please visit [weber.edu/nursefunctreq](http://weber.edu/nursefunctreq) for the physical requirements of nursing.

For questions on whether or not a course transfers to Weber State University see our online transfer guide at [weber.edu/transferguide](http://weber.edu/transferguide). It should not be assumed that any course will transfer if you have questions speak with a pre-nursing advisor.
