Stacy and Witbeck is one of the country’s largest heavy civil contractors and a top builder of light rail, commuter rail, and streetcar systems. We are recognized throughout the construction industry for our ability to manage complex projects while creating a cooperative relationship with owners, stakeholders, subcontractors, and the communities in which we work. Stacy and Witbeck is interested in talented candidates with backgrounds related to construction management or engineering. We also seek individuals in related construction fields like safety, quality control, and contract management and top professionals in a wide range of career areas.

**JOB SUMMARY**
The Field Engineer Intern works closely with field engineers and project management staff to make sure that projects are progressing on time and on budget.

**ESSENTIAL FUNCTIONS AND DUTIES**

- Work directly with other Field Engineers (and independently) directing and planning the efforts of others and maintain accountability for work accuracy and completeness
- Train individuals on work processes and technical requirements as required
- Maintain records as required regarding job progress, costs, material usage, etc.
- May assist in detailed planning and scheduling of job and/or job segments
- Investigate problems and/or reported incidents; identify and recommend solutions/alternates as appropriate
- Review plans and specifications to determine material requirements (quantities and qualities), pricing of materials, etc.
- Work with suppliers as required by facilitating the handling and expediting the delivery of materials
- Aid in estimating projects as required to include quantity take-offs
- Performing other duties as assigned

**MINIMUM QUALIFICATIONS (KNOWLEDGE, SKILLS, AND ABILITIES)**

- Pursuit of Bachelors of Engineering Degree or equivalent from four-year college
- Able to read, analyze, and interpret complex documents
• Able to respond effectively to sensitive inquiries or complaints
• Able to write presentations and articles using original or innovative techniques or style; ability to make effective
and persuasive arguments and presentations on controversial or complex topics to top management, public
groups, and/or boards of directors; ability to deal with nonverbal symbolism (formulas, scientific equations,
graphs, etc..) in its most difficult phases
• Ability to use computer assisted drafting (CAD) equipment and software
• Ability to comprehend and apply principles of calculus, modern algebra, and statistical theory
• Ability to apply principles of logical or scientific thinking to a wide range of intellectual and practical problems
• Ability to deal with a variety of abstract and concrete variables

**PHYSICAL DEMANDS AND WORK ENVIRONMENT**
The physical demands described here are representative of those that must be met by an employee to successfully
perform the essential functions of this position. Reasonable accommodations may be made to enable individuals with
disabilities to perform the functions.
• Regularly required to talk or hear
• Frequently required to use hand or fingers, handle or feel objects, tools, and controls
• Occasionally lift and/or move up to 25 pounds
• Specific vision abilities are required by this position which include close visions, distance vision, and the ability
to adjust focus
• The noise level of this work environment is usually low to moderate

**EEO/AA Employer – Minorities, Women, Disabled and Veterans**

**NOTE:**
This job description in no way states or implies that these are the only duties to be performed by the employee(s) incumbent in this position. Employees will be
required to follow any other job-related instructions and to perform any other job-related duties requested by any person authorized to give instructions or
assignments. All duties and responsibilities are essential functions and requirements and are subject to possible modification to reasonably accommodate
individuals with disabilities. To perform this job successfully, the incumbents will possess the skills, aptitudes, and abilities to perform each duty proficiently.
Some requirements may exclude individuals who pose a direct threat or significant risk to the health or safety of themselves or others. The requirements listed in
this document are the minimum levels of knowledge, skills, or abilities. This document does not create an employment contract, implied or otherwise, other than
an “at will” relationship.
