Summer Internship - Construction Materials Testing Technician
Salt Lake City, Utah

Kleinfelder has been connecting great people to the best work since 1961. We are engineers, scientists, and construction professionals providing solutions that improve our clients’ transportation, water, energy, and other private infrastructure. As a responsive, cross-disciplinary team of bright, curious, and innovative problem-solvers, we are dedicated to doing the right thing, every day, on every project from over 60 offices in the US, Canada and Australia.

Built on a foundation of excellence, Kleinfelder is committed to client-focused solutions. Through our depth of experience and thorough understanding of environmental, regulatory, economic, and civic conditions, we identify and address challenges with innovation and common-sense. Kleinfelder’s integrated, award-winning experts collaborate with clients to meet their objectives - from project inception through design and execution. Connecting great people to the best work is our purpose – together, we deliver.

Kleinfelder’s Taylorsville (Salt Lake City) UT office is seeking a Summer Intern for Construction Materials Testing Services. This is a great opportunity for students majoring in Civil Engineering, Geotechnical Engineering or Construction Management.

Under supervision and working with experienced staff, the successful candidate will assist in performing routine inspection and testing of construction materials in the field, in order to verify conformance to construction plans and specifications, and will also perform routine materials laboratory tests for the purpose of verifying suitability and conformance industry and construction specifications. Training will be provided.

The Intern will prepare daily reports and data sheets and may be called upon to perform various tasks at the discretion of the supervisor.

Must be able to use a computer and a general knowledge of MS Office including Word and Excel is preferred.

Valid driver’s license, clean driving record and reliable transportation required.

**Education:** High school diploma or equivalent required.

Kleinfelder is an Equal Opportunity Employer – Minorities/Women/Disabled/Veterans (Compliant with the new VEVRAA and Section 503 rules)
