

Utah's HOGLE ZOO

Organization: Utah's Hogle Zoo (AZA Member)

Internship: Education Internship

Location: Salt Lake City, Utah, United States

POSITION SUMMARY:

This internship program is designed to provide learning opportunities and practical experience while gaining valuable knowledge relating to a career in informal education. The Education Intern will assist the Education staff with the daily preparation and facilitation of summer camps, and assist with a wide range of other educational duties. This internship offers a hands-on opportunity to work for an education department in a zoological setting. A commitment of 10 weeks is required. The position will be from 8:00-4:30 and 5 days a week with flexibility on the days scheduled. This is an unpaid position and no housing is provided.

REPORTS TO: Director of Education

DATES: May 22- August 13, 2023 (start and end date may be flexible based on school schedule)

POSITION DESCRIPTION:

The Education Internship program is designed to provide participants with practical learning experience and knowledge in the field of informal education. In return, the intern makes a significant contribution to the Education Department. Intern duties may include the following (may vary based on skill level and departmental needs):

- Assist the education staff in the supervision and instruction of summer camp participants. Lead camp activities as requested.
- Assist education staff in the daily and weekly set-up, clean-up, and facilitation of each program.
- Design and implement classroom projects, activities and games for summer camps.
- Design and write the curriculum for a one-day camp program with support from the education staff.
- Learn the proper handling protocols of Tier 1 education ambassador animals. Handle animals as part of an interpretive talk for guests and camp students.
- Assist the education staff in coordinating and presenting special day events on site.
- Assist with miscellaneous tasks as assigned.
- Keep a weekly journal of their activities and observations

OBJECTIVES:

- Learn how to write lesson plans for informal education.

2600 SUNNYSIDE AVENUE, SLC, UT 84108
801-584-1700

ASSOCIATION
OF ZOOS &
AQUARIUMS

- Learn classroom management skills for a range of ages.
- Give an interpretive talk using live education ambassador animals.
- Learn how to utilize the Zoo's resources for lessons.
- Learn how summer camps are developed and executed.
- Present a lesson in summer camp.
- Participate in a wide variety of education classes.

QUALIFICATIONS:

Be currently enrolled in a college or university, or have recently graduated. Have a minimum of one year of course work in a major field of study to be applied during the internship (e.g. education, biology, zoology, environmental science, etc.). Experience working with children ages 4-12 a plus. Demonstrated enthusiasm for and interest in working with children, Zoo visitors, and Zoo animals. Interns need to have a recent TB test, and a tetanus shot is highly recommended. Interns must complete Youth Protection Training before start date. Because of the nature of working with and close to a variety of animals, the applicant needs to demonstrate maturity, self-motivation, and an ability to follow direction. A basic knowledge and understanding of computer word processing and PowerPoint is helpful.

WORK SCHEDULE: Ideally work 40 hours a week for a minimum of 10 weeks. Interns are expected to work various Saturdays and holidays. Schedule can be varied if necessary.

COMPENSATION: The Education Internship is unpaid. Professional development opportunities will be available. Possible college credit is available for those able to receive it through their college/university. No housing provided.

TO APPLY: Applications are due by **February 12, 2023**.

Please visit <https://www.hoglezoo.org/internship-opportunities/> to fill out an application. In addition to completing the application, attach a resume, cover letter, and informal transcript or send to volunteeroffice@hoglezoo.org. Incomplete application packets will not be considered.

Applicants will be contacted for interviews at the end of February, please do not expect to hear from us before then.
