SHARK WEEK
Nov. 1-5

How to register:
- On Nov. 1, search "Registration Time - Check Status" on your eWeber portal to learn when to register.
- The course schedule is viewable to begin planning now.

If you need an override for a class:
1. Email the instructor of the course and Sare at sgardner1@weber.edu.
2. Include the error message and the CRN for the class in the email.
3. The instructor will email permission (if allowed) and Sare will allow the override.

Have questions?
- Make an appointment with your advisor.
- Email the instructor of the class about the delivery method.
- Visit weber.edu/communication to learn more.
