General Education Improvement & Assessment Committee (GEIAC)

Wednesday, April 10, 2019
2:30-4:00pm - SU 301

1) **Report out: Gen Ed Council (Eric)**

2) **WSU Program Data Needs (Molly)**
   a) What data do we need?
   b) Suggestions for:
      i) Cost/benefit analysis
      ii) Shifting of SCHs
      iii) Demographics on students taking these types of courses
      iv) Retention data
      v) Others???

3) **Gen Ed Approval and Renewal Process (Molly)**
   a) General comment for both approaches – looking to flip the step of Area Committees and GEIAC
   b) Additionally, looking to make renewal more formative rather than summative
      i) **Approval of courses seeking Gen Ed designation**
         (1) Courses are reviewed by larger GEIAC committee
         (2) When concerns arise, call on Area Committee Chair to disseminate course to interested parties and experts for feedback
         (3) Come back to GIEAC for additional discussions
         (4) Ultimate approval happens in University Curriculum Committee with suggestions made by GEIAC
      ii) **Renewal**
         (1) On a rotating schedule, have courses reviewed by GEIAC committee
         (2) When concerns arise, call on Area Committee Chairs to disseminate course to interested parties and experts for feedback
         (3) Only when egregious problems arise, send a course to University Curriculum Committee for disciplinary actions (still yet to be determined)

4) **Gen Ed Syllabi Needs in light of GELOs (Molly)**

5) **Accomplishments Spring 2019 and Review of Charges (Molly)**

6) **Ongoing Discussions (Spillover to Fall 2019 Meetings)**
   a) Diversity
   b) FYE discussions

Next Meeting: TBD, have a great summer!
