DEPARTMENTAL HONORS in SCHOOL OF COMPUTING

Departmental Honors offers distinction to the best students in the major. This program recognizes accomplishments in the following three areas: scholarship, leadership, and professionalism.

Departmental Honors Requirements:
- Maintain a cumulative GPA of 3.75 and a major GPA of 3.85.
- Complete all the BS requirements for the declared major within the School of Computing.
- Receive at least an A- in all honors courses necessary to meet the requirements below.
- Take at least one Honors Program course (min. 3 credits).
- Take at least one (3-4 credits) upper-division School of Computing honors course within your declared major;
- Take at least one (3-4 credits) upper-division School of Computing honors course
  OR
  Earn two professional certifications (exam must be taken while enrolled in the Honors program) approved by Major Advisor.
- Participate as an officer or committee leader in a department sponsored student club for one year or provide 20 hours of community service as coordinated and verified by the university’s Center for Community Engaged Learning.
- Make a public presentation of your own individual research or project work. This can be done at a student club meeting, a public forum organized by the Department or Weber State University, or at a regional or national conference.

Applying for Departmental Honors:
- Complete the Departmental Honors Application and meet with the Departmental Honors Advisor; (This form is found on WSU Honors Webpage- http://www.weber.edu/honors/.) This should be completed prior to starting any of the other requirements.
- Submit the signed application to the Honors Program Advisor.
- You must be actively pursuing the Departmental Honors for at least two semesters.
- Meet the requirements listed above.
- Visit with your Major Advisor early in the semester of anticipated graduation so as to complete the Departmental Honors Exit Application. (This form is found on the Honors Webpage - http://www.weber.edu/honors/)
- Submit the signed form to the Honors Program Advisor, who will clear you for graduation with Departmental Honors.

Please note:
- The exit application must be submitted prior to Fall Break for Fall graduation and prior to Spring Break for Spring graduation.
- You must still apply through the Graduation Office.

Recognition through Departmental Honors:
- Your transcript and degree diploma will be printed with the distinction, “Departmental Honors in <Program Name>.”
- You will receive an invitation to all Honors Program social and educational events.
- You will receive an invitation to the Honors Nye Banquet when you graduate.
