CURSE, CURE, CULTURE:
THE SOCIAL IMPACTS OF NATURAL RESOURCES

HNRS 3900 | CRN 20872

MWF @ 10:30 - 11:20
Library 325

Are positive or negative impacts inevitable in societies that rely on oil? Or do institutions play a role? Read fiction, watch movies, and explore data, to answer these and other questions. From economic and postcolonial perspectives we will discuss case studies involving oil, diamonds, and endangered species.
