COVID-19

What do we know about this virus?

What have we learned about treatments, how is it spread, why is a vaccine so important?

Will this pandemic end? Will COVID-19 be gone forever? Will it come back?

TEACH ON THE CORONAVIRUS

Taught by
Dr. Matt Domek
WSU
Microbiology
Department Chair

Spring 2021
Fridays
1:30-2:20pm
HNRS 2920
