Why choose the Master of Accounting program at WSU?

Earning an AACSB accredited MAcc degree from WSU gives you better accounting and management career opportunities and satisfies the education requirements of the Utah Certified Public Accountant Licensing Act to sit for the CPA exam. Many of today's accountants use their MAcc degrees to work as vice presidents, CEOs and CFOs in today's business world.

All courses are offered late afternoons and evenings at our convenient WSU Davis campus in Layton. Weber State’s tuition and fees are among the lowest in the state of Utah and the nation, making it an extraordinary value for a high quality education.
