Disclaimers

WSU does not discriminate on the basis of race, color, national origin, pregnancy, genetics, age (over 40), disability, religion, sex, sexual orientation, gender identity/ expression, veteran, active military status, and other classifications protected by law in its programs and activities. Information is available from, and discrimination and harassment complaints may be filed with, the Executive Director of AA/EO, AA-EO@weber.edu, MA 101, or 801-626-6239.

Students accepted into the nursing program may be exposed to bloodborne pathogens during their time in the program.

All admitted applicants will be required to complete a mandatory background check and drug screening. Admission to the program is contingent upon submission of a satisfactory background check and a negative drug screening. If you have a record of convicted criminal actions, it may affect your eligibility for admission to the WSU nursing program.

Admitted applicants must have a current unencumbered license as a registered nurse or eligible to obtain licensure without restrictions within the state you reside.

Physically challenged and learning-disabled students must register with the disability office prior to starting the nursing program if special assistance is required. Please call 801-626-6413.

Please visit weber.edu/nursefunction for the physical requirements of nursing.

Advisement

A faculty advisor is assigned to students once they have been accepted into the program. Prior to acceptance, applicants should direct advisement questions to the enrollment director at 801-626-6753.

GRADUATE CERTIFICATE IN NURSING

The Graduate Certificate in Nurse Leader: Executive Track or Nurse Leader: Educator Track are stand-alone certificates. Completion of an MSN degree is a prerequisite to admission to the graduate certificate program. The certificate will be awarded upon completion of the five graduate-level specialty courses, totaling 15 credit hours. The courses will be offered in a hybrid delivery format, with three face-to-face classes and interaction that is enhanced by online discussions and learning activities.

Our vision for the School of Nursing is to educate and prepare distinguished nursing professionals who are recognized for excellence and passionately engaged in the profession of nursing.

Graduate Certificate in NURSE LEADER: EXECUTIVE TRACK

The Graduate Certificate in Nurse Leader: Executive Track is a post-graduate certificate to provide advanced administrative skills to nurses who have a non-administration-focused Master of Science in Nursing degree.

Graduates will be able to:
- Ensure organizational quality and delivery of care
- Establish a professional-practice environment
- Facilitate shared governance
- Establish interdisciplinary care for diverse populations
- Manage resources
- Provide leadership in research

Graduate Certificate in NURSE LEADER: EDUCATOR TRACK

The Graduate Certificate in Nurse Leader: Educator Track is a post-graduate certificate to provide advanced educator skills to nurses that have a non-education-focused Master of Science in Nursing degree.

Combining current professional expertise with the knowledge of teaching and learning strategies, students will expand and enhance the role of a health-care or academic-based educator.

In the program, students will update and expand their knowledge in:
- Curriculum development
- Assessment
- Evaluation
- Teaching and learning strategies
