WEBER STATE UNIVERSITY  
Annie Taylor Dee School of Nursing  
WSU/Davis Technical College PN to RN (AS/AAS) Program  
APPLICANT CHECKLIST for Summer 2020

Please note: this program is for current DTech PN students during the 19/20 Academic Year who will be eligible in the state of Utah to take PN-NCLEX May. Previous DTech PN graduates who currently hold an un-encumbered PN license in the State of Utah will need to apply to the WSU/Hybrid-Online PN to RN program for Fall 2020. The WSU/DTech Program admits current Davis Technical College PN graduates only - at the time they finish their LPN program at DTech. Only if someone does not go on will there be any other available positions at the DTech location. All admitted applicants for the May 4, 2020 start date must pass PN boards and have a Utah PN license by the end of the 1st semester (Summer 2020) in order to continue beyond the 1st semester into the fall 2020 (2nd semester). If you are not a current PN student at the DTech graduating April 2020 then this program is not for you and you should contact Robert Holt at rholt@weber.edu or (801)626-6753 for information related to WSU/Hybrid-Online PN to RN offering that is available through Weber State University. E-mail will produce a quicker response.

Questions related to information related to this program should be directed to Robert Holt at rholt@weber.edu (801)626-6753

Application availability: January 6, 2020 for the Summer 2020 cohort

Duration of program: 2 semesters- Summer Start: [May start: Summer 2020 and Fall 2020]: Monday, May 4, 2020

Approximate number of positions available for each cohort (August of each year): 32 positions - a slot for each qualified April 2020 DTech PN graduate

Applicants may apply to only one of WSU's PN to RN programs per application cycle! So for Summer/Fall 2020 that means applicants must choose either the WSU/DTech program (May start) or the WSU/Hybrid-Online PN to RN program – fall 2020 [This is competitive]. Not both! The slot that is for you is at the DTech May 4, 2020 start if qualified.

Class day(s): TBA

Clinical Sites: TBA Clinical's will be required at least once a week through the two semesters of the program (TBA).

Weekly lab's: plans call for lab's weekly

Application deadline for the Summer 2020 WSU/DTech program: March 5, 2020 (Current students graduating April 2020 only)

APPLICATION REQUIREMENTS (All must be met by application deadline):

☐ 1] Cumulative GPA of 3.0 or higher. (All credit from "regionally accredited" colleges added together. May be a 2.5 CUMULATIVE GPA, if you have 2 or more years of work experience as an LPN and your NURSING GPA (NURSING ONLY COURSES ARE STILL ABOVE a 3.0 CUM GPA. See advisor if you have questions)

☐ 2] Pass all LPN Courses at the BTC with a "A", "B-" or better grade. Otherwise you will have to wait for the next WSU/Online PN to RN application cycle. Won't be eligible for a January 2020 WSU/PN to RN Position anywhere.

PREREQUISITES which must be completed before the start of the first semester of the program with "C" or better grades:

Science Specific Prerequisites:

☐ Health Science 1110 - Integrated Anatomy & Physiology I [available WSU only]* (4)

☐ Health Science 1111 - Integrated Anatomy & Physiology II [available WSU only]* (4)

☐ Chemistry 1050 - Inorganic/Organic/BioChem* (5)

☐ Math Quantitative Literacy Requirement (Math Q.L.) (3/4)

Human Anatomy [Zool 2100]* (4) and Human Physiology [Zool 2200]* (4) can be taken in place of Health Science 1110 & 1111.

Chemistry- for applicants attending a college or university where Chemistry 1050 is not available, take Chemistry 1110(*).

WSU Math Q.L. (Quantitative Literacy Requirement): Completion of one of the following mathematics courses: MATH QL1030, MATH QL1040, or MATH QL1050, or MATH QL1080, or any math course with either MATH QL1050 or MATH QL1080 as a prerequisite. Those with a previous Degree (AS or BS from a "Regionally" Accredited College or University already meet this requirement). Please see advisor for further questions related to this requirement.

Additional PN to RN Nursing Prerequisites:

☐ PSY 1010 - Intro. To Psychology (3)

☐ Introduction to Writing - English 1010 (3)

Please note that all admitted students in a PN to RN program at Weber State University will have to have taken and passed the State of Utah PN-NCLEX by the end of the 1st semester in order to progress into the final semester of the program. Otherwise you will have to take a leave of absence until boards are passed. In some cases re-applying to the program may be required.

OVER ----------->
Additional Graduation Requirements for the PN to RN Program [AAS] (Must be completed by graduation and are not considered prerequisites): Intermediate Writing - English 2010 (3), HU/CA [Humanities or Creative Arts elective course] (3), and 2 Hours of Residency Credit at Weber State. 20 hours total through WSU (Nursing 18 hours + 2 additional hours).

Associate of Science (AS) in Nursing: Please note that all admitted students are encouraged to complete all the additional general education requirements for a full Associate of Science Degree. This will enable a graduating RN student to be eligible to apply for progression into the RN to BSN program. If admitted students only graduate with the AAS Degree (Associate of Applied Science) they will not be in a position to apply for progression to the RN to BSN program. Additional general education/university requirements will be required in order to be eligible to apply to the RN to BSN program.

Selection Process: There are enough slots in the program for all April 2020 graduates of the DTech PN program as long as they have a 3.0 CUMULATIVE GPA and successfully complete the Practical Nurse program at DTech April 2020. Therefore a point system will not be used to rank applicants. However for those that want to pursue the RN to BSN program at Weber State University down the road there may be a potential of an applicant selection process being used to facilitate admissions to that level of the program if one does not take advantage of the RN to BSN program progression at the time you graduate from the PN to RN (AS) program.

Completion of Pathophysiology 2230, Microbiology 1113 and Nutrition 1020 course(s), will give extra points in that process.

Applicants are strongly encouraged to meet with an advisor before applying to verify that all prerequisites, etc., are completed. In order for the review to be complete, all transcripts must have been sent to WSU admissions for official review. Students must have applied to and be accepted to Weber State University in order to register for classes.

Nursing Courses (all nursing courses must be passed with a "B-" or better grade):

<table>
<thead>
<tr>
<th>TOTAL NURSING HOURS</th>
<th>18</th>
</tr>
</thead>
<tbody>
<tr>
<td>2 credit hour WSU Residency Credits</td>
<td>2 (Hard to find 2 credit hour course so - 3 hrs)</td>
</tr>
<tr>
<td>Total number of WSU credits required</td>
<td>20</td>
</tr>
</tbody>
</table>

Physically challenged and learning disabled students must register with the disability office prior to starting the nursing program if special assistance is required. Please call 801-626-6413

Please visit [http://weber.edu/Nursing/EssentialRequirements.html](http://weber.edu/Nursing/EssentialRequirements.html) for the essential requirements of nursing.

The website for the Weber State University School of Nursing can be viewed at [www.weber.edu/Nursing](http://www.weber.edu/Nursing). Additional information on course content, etc. is available at this site.

All admitted applicants will be required to complete a mandatory background check, drug screening, **physical exam**, and have personal health insurance. Admission to the program is contingent upon submission of a satisfactory background check, a negative drug screening, **a physical exam**, and **documentation of personal health insurance**. If a background check reveals a history of criminal actions or the drug screen reveals the presence of controlled substances (prescription or non-prescription) the applicant understands that he/she may not be allowed to begin or remain in the program and will not be entitled to any refunds of tuition dollars or other fees.
