WEBER STATE UNIVERSITY
Annie Taylor Dee School of Nursing
WSU/Davis Technical College PN to RN (AS/AAS) Program
APPLICANT CHECKLIST for Summer 2021

Please note: this program is for current DTech PN students during the 20/21 Academic Year who will successfully graduate the PN program at DTech April 2021 and are eligible for licensure. The WSU/DTech Program admits current Davis Technical College PN graduates only - at the time they finish their LPN program at DTech. All admitted applicants for the May 10, 2021 start date must pass PN boards and have a Utah PN license prior to the end of the third semester (Summer 2021) in order to continue. If you are not a current PN student at the DTech graduating April 2021 you should contact Robert Holt at rholt@weber.edu or (801)626-6753 for information related to WSU/Hybrid-Online PN to RN offering that is available through Weber State University. E-mail will produce a quicker response.

Questions related to information related to this program should be directed to Robert Holt at rholt@weber.edu (801) 626-6753

Application availability: 1/4/2021 for the Summer 2021 cohort

I am aware that this is not a 2 year RN program. I am presently enrolled in the DTech Practical Nurse Program and will complete this accredited PN program prior to the start of the WSU PN to RN program on May 10, 2021. If you do not have your license, you must take NCLEX-PN and pass it prior to the end of the third semester.

OVER --------->
Additional Graduation Requirements for the PN to RN Program [AAS] (Must be completed by graduation and are not considered prerequisites): Intermediate Writing - English 2010 (3), HU/CA [Humanities or Creative Arts elective course] (3), and 20 WSU Residency Hours.

Associate of Science (AS) in Nursing: Please note that all admitted students are encouraged to complete all the additional general education requirements for a full Associate of Science Degree. This will enable a graduating RN student to be eligible to apply for progression into the RN to BSN program. Students graduating with the AAS Degree (Associate of Applied Science) will not be able to apply for the RN to BSN program. Additional general education/university requirements will be required and you will have to reapply for the RN to BSN program.

Selections: A point system will be used to rank applicants. Positions will be filled based on points and ranked campuses. 32 positions will be filled at the WSU/DTech campus. The rest will be filled in the Hybrid-Online, WSU Davis Campus and WSU Ogden Campus. Students must have a 3.0 CUMULATIVE GPA, have or will complete all the prerequisite courses. Students must also complete an accredited PN program and be eligible for licensure prior to the start of the WSU PN to RN program.

Completion of Pathophysiology 2230, Microbiology 1113 and Nutrition 1020 are not required but encouraged but do influence the point system.

Applicants are strongly encouraged to meet with an advisor before applying to verify that all prerequisites, etc., are completed. In order for the review to be complete, all transcripts must have been sent to WSU admissions for official review. Students must have applied to and be accepted to Weber State University in order to register for classes.

Nursing Courses (all nursing courses must be passed with a “B-” or better grade)

Residency: All students must meet WSU 20 credit hour residency requirement. If you have never taken a course at WSU, you must take another 2-3 credit hour course from Weber State. Nursing only provides 18 of the required 20 credit hours for residency.

Physically challenged and learning disabled students must register with the disability office prior to starting the nursing program if special assistance is required. Please call 801-626-6413
