If you have a record of criminal actions, it may affect your eligibility for admissions to the WSU nursing program. All applicants will be required to complete a mandatory drug screen. Admission to the program is contingent upon submission of a satisfactory background check and negative drug screen. If a background check reveals a history of criminal actions or the drug screen reveals the presence of controlled substances (prescription or non-prescription) the applicant understands that he / she may not be allowed to begin or remain in the program and will not be entitled to any refunds of tuition dollars or other fees.
