Please note: This program is for applicants who are PN NCLEX eligible in the state of Utah or currently hold an unencumbered PN license in the state of Utah. All admitted students in a PN to RN Program at Weber State University must take and pass PN-NCLEX prior to the end of the third semester. Students will not be able to progress on to the fourth and final semester if PN boards are not passed.

Questions related to information on the Hybrid-Online PN to RN Program should be directed to Robert Holt at rholt@weber.edu or 801-626-6753. Email in most cases will produce a quicker response.

Program(s) will only begin if enough qualified applicants apply, funding is secured and appropriate administration approval is given. Applicants may only apply to one WSU PN to RN Program per application cycle!

- ▲ Those with previous degrees (AS, BS, MS, from a “regionally accredited” college or university already meet the math requirement.
  A Letter of Completion or Interstate Passport count as well. Please see advisor for further questions related to this requirement.

ADDITIONAL PN TO RN PREREQUISITE COURSES:
- Introduction Psychology – Psych 1010 (3) OR Human Development – CHF 1500 (3)
- Introduction to Writing – English 1010 (3)
ADDITIONAL GRADUATION COURSES FOR THE AAS: These courses must be completed by graduation and are not considered prerequisites. Intermediate Writing – English 2010 (3), HU/CA – Humanities or Creative Arts elective course (3). Students must also obtain 20 residency hours at Weber State University. Nursing courses only provide 18 of the 20 required hours. Students who have never taken a course through Weber State University must take an additional 2 or 3 credit hour course to meet the 20 hours of residency credit to graduate.

ASSOCIATE OF SCIENCE IN NURSING: All admitted students are encouraged to complete all the additional general education requirements for a full Associate of Science Degree. This will enable a graduating RN student to be eligible to apply for progression into the RN to BSN Program. If students only graduate with an AAS (Associate of Applied Science) Degree, they will not be able to apply for the RN to BSN Program.

A list of university-level Core, Breadth, and Degree requirements can be viewed in the Current Catalog website (catalog.weber.edu)

SELECTION PROCESS: a competitive point application process takes place when we have more applicants than positions available. Criteria used in the point selection process include: degrees (AS, AA, BS, BA, MS, MA) completed and posted to transcripts; Interstate Passport posted to transcripts or documented proof of Letter of Completion; CUM GPA; science course GPA (4 courses); prerequisites completed (6 courses); all prerequisites and additional support courses completed (8 courses); Introductory Pathophysiology (HTHS 2230), Introductory Microbiology (MICR 1113), and Human Nutrition (NUTR[LS] 1020) courses done; Nursing GPA; LPN Work Experience; alternate; re-applicant; and veteran status. The application process is highly competitive! It may take more than one time applying before one gains admissions to this program.

Applicants are strongly encouraged to meet with an advisor before applying to verify that all prerequisites, etc., are completed. In order for the review to be completed, all transcripts must have been sent to WSU admissions for official review. Do not assume that all classes will transfer. Students must apply for and be accepted to Weber State University in order to register for classes.

NURSING COURSES: Nursing curriculum pattern if admitted. All nursing courses must be passed with a “B-” grade or better.

All admitted applicants will be required to complete a mandatory background check, drug screening, physical exam, and have personal health insurance. Admission to the program is contingent upon submission of a satisfactory background check, a negative drug screening, a physical exam, and documentation of personal health insurance. If a background check reveals a history of criminal actions or the drug screen reveals the presence of controlled substances (prescription or non-prescription) the applicant understands that he/she may not be allowed to begin or remain in the program and will not be entitled to any refunds of tuition dollars or other fees.

Physically challenged and learning disabled students must register with the disability office prior to starting the nursing program if special assistance is required. Please call 801-626-6413. Please visit Nursing Essential Requirements (weber.edu/Nursing/EssentialRequirements.html) for the essential requirements of nursing.
