  o Graduation date: December 16, 2022
  o RN to BSN progression start date: January 9, 2023

The AS (RN) Nursing Program is moving from 128 students admitted over a year to 192 students over a year.

APPLICATION ELIGIBILITY REQUIREMENTS: must meet BOTH criteria by the application deadline to be eligible to apply.

☐ 1) Nine (9) or more credit hours completed from the **PREREQUISITES** and the **ADDITIONAL NURSING SUPPORT COURSES** list (excluding CNA).
   Of the nine (9) credit hours at least 1 of the 4 science specific courses listed in the “Science Specific Courses” list must be completed. All prerequisites and support courses need to be passed with a “C” or better grade.

☐ 2) Cumulative GPA of 3.0 or higher. WSU School of Nursing uses a CUMULATIVE GPA from all transcripts that are from “Regionally Accredited” colleges or universities that transfer to WSU. All courses must be completed and posted to your college transcripts by the application deadline. Please note: Early College and concurrent enrollment courses must be passed with a “C” or better grade. Additionally, Independent Study courses must be completed and posted to a college transcript by the application deadline in order to be counted. No exceptions!

**PREREQUISITES: 5 TOTAL – must be completed prior to the start of the nursing program if admitted. All prerequisite courses must be passed with a “C” grade or better.**

☐ CNA or EMT: **Current Proof of Certification as a Certified Nursing Assistant (CNA) or current Emergency Medical Technician (EMT) certificate** is required of all accepted applicants. A copy of the certification or registry expiration date is required and must be provided prior to the start of the program. For questions concerning the CNA, contact the Utah CNA Registry (801-547-9947). For questions concerning the EMT certificate, contact the Bureau of Emergency Medical Services (801-273-6666). It is highly recommended to have this requirement met by the application deadline as it will help in the selection process. If admitted, your certification must be current at the start of the program that you are admitted to begin. Completion of just the course is no longer acceptable. Military with medical background, please see an advisor.

**SCIENCE SPECIFIC COURSES:** At least 1 of the 4 science specific courses must be completed prior to the application deadline noted above.

☐ HTHS 1110 – Integrated Anatomy and Physiology I (available WSU only)* (4) OR *Zoology 2100 – Human Anatomy (4)
☐ HTHS 1111 – Integrated Anatomy and Physiology II (available WSU only)* (4) OR *Zoology 2200 – Human Physiology (4)
☐ Chemistry 1050 – Inorganic/Organic/Biochem* (available WSU only) (5) OR **Chemistry 1110 – Elementary Chemistry (5)**
☐ Math Quantitative Literacy – completion of one of the following: math 1030, 1040, 1050, or 1080 (3/4)

HTHS 1105 & HTHS 1106 are equivalent

* Zoology 2100 and Zoology 2200 can be taken in place of HTHS 1110 and HTHS 1111

**Chemistry 1110 is the transferable course from institution to institution**

Those with previous degrees (AS, BS, MS, from a “regionally accredited” college or university already meet the math requirement. Letter of Completion or Interstate Passport count as well. Please see advisor for further questions related to this requirement.

Please turn the sheet over for the additional nursing support general education course lists ------------------------>
For questions on whether or not courses transfer to WSU, see our online transfer guide at weber.edu/transferguide. It should not be assumed that any course will transfer. If you have questions, please speak with a pre-nursing advisor.

**ADDITIONAL NURSING SUPPORT COURSES:** Four (4) additional support courses can be completed prior to the start of the nursing program if admitted or during the two (2) year Associate Degree RN Program. All support courses must be passed with a “C” grade or better.

- ☐ Psychology 1010 (SS) – Introductory Psychology (3) OR ☐ CHF 1500 (SS/DV) – Human Development (3)
- ☐ English 1010 (EN) – Introduction to Writing (3)
- ☐ English 2010 (EN) – Intermediate Writing (3)
- ☐ HU or CA – Humanities or Creative Arts Elective (3)

Please note: In addition to the prerequisite courses listed on the first page of this document, and the above listed additional nursing support courses, there are additional university-level Core, Breadth, and Degree requirements that must be met in order to graduate with an Associate of Science Degree and be eligible to take the RN-NCLEX exam. If you have questions about these additional requirements, please see an advisor. If you have completed the AP exams or CLEP credit, please see an advisor.

A list of university-level Core, Breadth, and Degree requirements can be viewed at: http://documents.weber.edu/catalog/current/

**SELECTION PROCESS:** A competitive point application process takes place when we have more applicants than positions available. Criteria used in the point selection process include: CUM GPA; science course GPA (4 courses); degrees (AS, AA, BS, BA, MS, MA) completed and posted to transcripts; Interstate Passport posted to transcripts or documented proof of Letter of Completion; science prerequisites completed (4 courses); all science and additional support courses completed (8 courses); pathophysiology (HTHS 2230), Introductory Microbiology (MICR 1113), and Nutrition (NUTR 1020) courses done; CNA/EMT certification (current); veteran status; alternate; reapplicant status, and early submission.

**NURSING COURSES:** Nursing curriculum pattern if admitted. All nursing courses must be passed with a (B-) grade or better.

### First Semester
- Nursing 2100 – Pharmacology for Nurses 1 (3)
- Nursing 2200 – Nursing Foundations (3)
- Nursing 2251 – Nursing Foundations of Nursing Lab & Clinical (3)  
  **Total Hours** 9

### Second Semester
- Nursing 2300 – Patient Centered Nursing Care 1 (3)
- Nursing 2351 - Patient Centered Nursing Care Experience I (3)  
  **Total Hours** 6

**Admitted RN students strongly encouraged to do the 3 credit hour Upper Division Elective this semester (or earlier) which applies to the RN to BSN level of the program of the program.**

### Third Semester
- Nursing 2500 – Patient Centered Nursing Care 3 (3)
- Nursing 3100 – Pharmacology for Nurses 2 (3)
- Nursing 2551 – Patient Centered Nursing Care Experience II (3)  
  **Total Hours** 9

### Fourth Semester
- Nursing 3200 – Complex Patient Centered Nursing Care 1 (3)
- Nursing 3300 – Entry Into Nursing Professional Practice (3)
- Nursing 3350 – Entry Into Nursing Professional Practice Capstone (3)  
  **Total Hours** 9

All admitted applicants will be required to complete a mandatory background check, drug screening, physical exam, and have personal health insurance. Admission to the program is contingent upon submission of a satisfactory background check, a negative drug screening, a physical exam, and documentation of personal health insurance. If a background check reveals a history of criminal actions or the drug screen reveals the presence of controlled substances (prescription or non-prescription) the applicant understands that he/she may not be allowed to begin or remain in the program and will not be entitled to any refunds of tuition dollars or other fees.

Physically challenged and learning disabled students must register with the disability office prior to starting the nursing program if special assistance is required. Please call 801-626-6413. Please visit https://weber.edu/Nursing/EssentialRequirements.html for the physical requirements of nursing.
