Dear Applicant:

We are pleased to hear of your interest in the Weber State University (WSU) Annie Taylor Dee School of Nursing. We are proud of our program graduates and the invaluable service they provide to their communities. The School of Nursing offers several options for entry and completion of the program. However, before making a decision to enter a particular program option, we feel it is very important for students to have a clear understanding of the requirements and outcomes of their choice.

Please note that those admitted to this program will be in a 4 straight semester curriculum pattern (16 months). Only breaks are in between semesters (summer semester is now utilized). For this application cycle that means admitted students would begin summer 2021, and continue fall 2021, spring 2022 and finish up summer 2022. Placing a graduation date in August 2022. Please take this into consideration as you make plans for this program.

Advisors are available to answer any questions you may have concerning the programs. They may be reached at healthprofessions@weber.edu or 801-626-6136. We look forward to working with you in completing your application process and would like to offer the following guidelines to ensure proper processing:

• Please read the enclosed information carefully. This packet contains ALL mandatory application requirements and deadlines.

• Submit all requested information prior to 4:30 pm of the posted application deadline. Application packets that do not contain all the required information will be considered incomplete and will render your application unqualified. Only on-time and COMPLETED FILES ARE SENT TO BE REVIEWED FOR SELECTION CONSIDERATION. (Please see the application requirement sheet for further details.)

Again, we are pleased that you are interested in the WSU Annie Dee Taylor School of Nursing and encourage you to contact our advisors if you require assistance in the application process. We look forward to the opportunity of meeting you.

Sincerely,

Sally Cantwell

Step 1 ☐ You are strongly encouraged to be admitted to WSU: If you have never been admitted to the university then Apply Online at (weber.edu/Admissions/apply.html). You will need to complete the application, submit official transcripts and pay the one-time $30 application fee. Students are encouraged to apply for the current semester (not some future point in time). Students who have previously been admitted to the university do not need to re-apply for university admission. Please note: Admission to the university is considered entirely separate from application and admissions to the nursing program. Admission to WSU does not need to take place prior to the Nursing Application Deadline. However, admission to WSU should take place within several weeks of applying to the nursing program. THE SOONER THE BETTER! WSU Admissions Office: 801-626-6050 or admissions@weber.edu if you need additional assistance on your admissions to Weber State University. When applying to the University please note there is not “ONE” designated Pre-Nursing Major. Most Nursing Applicants select Health Science AS (Nursing Track) as their pre-nursing program of study. Individuals are welcome to select General Studies (AS) or any other program of study of their choice while taking the nursing prerequisites and additional support courses.

Step 2 ☐ NURSING APPLICATION FEE of $25.00 is due with the School of Nursing Application. Cashiers check or money order must be made payable to Weber State University. Personal check or cash will not be accepted. This is a NON-REFUNDABLE APPLICATION FEE.

Step 3 ☐ Submit a COPY (may be a photocopy) OF ALL HIGHER EDUCATION ACADEMIC TRANSCRIPTS FROM “REGIONALLY ACCREDITED” COLLEGES OR UNIVERSITIES WITH YOUR NURSING APPLICATION. Although you may have already submitted an Official Copy to the WSU Admissions Office, it is essential that all applicants submit a copy of all transcripts with this application packet. They can be “official transcripts” or unofficial photo copies, printouts from the institution website, etc. This is true even if you are already a current WSU student. You will need to print off a copy of your transcript from the website or pick one up from the records office. Applicants bear the responsibility to provide transcripts from all colleges or universities attended and failure to do so will render your application unqualified.

Please note that equivalent courses from other colleges or universities may need to be discussed with DCHP Admissions Advisement at healthprofessions@weber.edu. Do not assume that any course will be accepted by the nursing program. Transfer credit, especially Advanced Placement (AP) and CLEP credit must be properly recorded through the WSU Admissions Office. It is the responsibility of every applicant to make sure this happens.

Step 4 ☐ For application item #9, please provide a photocopy of your current CNA certificate or EMT certificate (Must be current). All applicants who receive admission to the RN Nursing Program will be required to show documentation of having a current state CNA or EMT certificate. Although certifications are not required to apply for the program, they are a requirement for final acceptance and attendance. If admitted all certifications must be current by May 10, 2021 in order to begin the Nursing program Summer 2021 semester.

PLEASE TURN OVER ➔
Step 5 ☐ I have read the RN (Associate Degree) “Applicant Checklist” that is considered to be part of this application packet. The applicant checklist should have been mailed or picked up as part of this application packet. If not, the applicant checklist (which discusses the prerequisites and nursing support courses is viewable at AS of Nursing website: (weber.edu/Nursing/ADN.html) (choose the Application Process button and go to applications and checklists).

Step 6 ☐ Submit the following items in one packet & send it to DCHP Admissions Advisement Office by January 6, 2021. Note that the DCHP Admissions Advisement Office processes applications relevant to postmark dates or they must be turned in by 4:30 p.m. of the application deadline day. Applications that are late will not be processed for further review. No paperwork will be accepted after published deadlines.

- $25.00 DCHP admission fee made payable to Weber State University. Money order or cashier’s check ONLY! No cash (or cards) will be accepted.
- Completed nursing application.
- All transcripts from any and all “Regionally Accredited” colleges or universities up to and including Fall Semester 2020. This is true even if you already have your transcripts at WSU. All applicants must provide a copy of their own transcript by doing the following: print from website of institution (WSU, etc.) or request from institution and turn in with this application packet. For example, if you attended USU, Utah, and WSU, you would need a copy of all three from each individual institution (not just from WSU website that may or may not show all of your courses). A student copy (from originating institution) of all transcripts needs to be in this packet. Copies are fine and do not need to be official. They simply need to be included with this application packet. If you send an official copy, it will not be sent to the WSU Admissions Office.
- A photocopy of your current CNA/EMT certificate (Application item #9).
- One copy (signed and dated) of this form. You should keep the other copy in your files!

Items a, b, c, d, & e MUST BE SUBMITTED IN ONE PACKET to have your application processed. If you are not a current student the WSU Admissions Application Fee must be sent directly to WSU Admissions, not the DCHP Admissions Advisement Office. This RN Application and $25.00 fee should be sent to DCHP Admissions Advisement Office, listed below. ONLY COMPLETE AND ON TIME APPLICATIONS ARE REVIEWED BY THE SELECTION COMMITTEE. If any information or documentation that is requested is missing then the application will not be reviewed.

I have been informed of the above information and understand the procedures and requirements mentioned. Furthermore, I understand that it is entirely my responsibility to make sure all of the above-mentioned papers were sent with my nursing application. I have kept a copy of this form for my files.

All application materials become the property of WSU and will not be returned to the applicant.

All admitted applicants will be required to complete a mandatory background check, drug screening, physical exam, and have personal health insurance. Admission to the program is contingent upon submission of a satisfactory background check, a negative drug screening, a physical exam, and documentation of personal health insurance. If a background check reveals a history of criminal actions or the drug screen reveals the presence of controlled substances (prescription or non-prescription) the applicant understands that he/she may not be allowed to begin or remain in the program and will not be entitled to any refunds of tuition dollars or other fees.

All completed RN applications should be mailed or hand delivered to the following address:

MAIL TO: DCHP Admissions Advisement Office
3875 Stadium Way Dept 3907
Ogden UT 84408-3907

DELIVER TO: DCHP Admissions Advisement Office

CAMPUS SAFETY AND NONDISCRIMINATION

Your safety while attending WSU is extremely important to us. The university maintains a campus alert system called Code Purple that provides notices about significant emergency situations on campus such as snow closures, power outages, gas leaks, or other potentially dangerous threats. We encourage you to sign-up for campus alerts at Weber Code Purple (weber.edu/codepurple).

The university also publishes an Annual Security Report and Fire Safety Report which provides information about crime statistics, crime prevention, alcohol and drug policies, fire statistics, etc. These reports can be found online at Security Report (apps.weber.edu/wsuimages/police/2014-15%20Clery%20Book.pdf).
