Annie Taylor Dee
SCHOOL of NURSING
RN TO BSN (B.S.N.)

For Current WSU (AS) RN Students
graduating
December 2019
(AS Only)

-MUST LIVE in UTAH to be in the program-

APPLICATION
FOR
ADMISSION

-Spring 2020-

(This application is only good for this progression application cycle only)

Spring Semester 2020 starts Monday, January 6, 2020
August 2019

Dear Applicant:

We are pleased to learn of your interest in the Weber State University Annie Taylor Dee Nursing Program. Faculty and Administration are proud of our program graduates and the invaluable service they provide to their communities. The WSU RN to BSN Nursing Program offers students the opportunity to progress personally and professionally. We seek to provide a program that meets the goals and expectations of students. However, before making a decision to enter the RN to BSN program, we feel it is very important for students to recognize the demands on time/energy and ensure their commitment to learning.

Please remember both delivery methods require students to be living in UTAH during the program.

**Hybrid Delivery:**
BSN Hybrid courses are delivered via a “Hybrid” format. “Hybrid” is a combination of face to face instruction and online. Students attend campus classes, study and complete assignments/learning online and then return to campus for further face to face interactions. Specific dates for on-campus classes are indicated at the beginning of the semester, but at this time weeks 1,5,9 & 14 are the weeks students need to plan to attend campus classes (approximately 2 days per week) during the indicated 4 weeks. You must live in Utah while completing the program.

**Online Delivery:**
Students living in excess of a 50 mile distances from the WSU Ogden campus, may apply for the online option. However, you must live in Utah while attending the program.

To support you in the application process, Tiffany Bennett - BSN (RN to BSN) Advisor: tiffanybennett@weber.edu or Robert Holt, Enrollment Director: rholt@weber.edu are available to answer any questions you may have concerning the RN to BSN Nursing Program. We look forward to working with you in completing your application process and would like to offer the following guidelines to insure proper processing:

- Please read the information carefully. Submit all requested information prior to 4:30 p.m. of the posted application deadline
- Fill out the one page application and attach a student copy (does not have to be official) of all your transcripts and submit.

Again, we are pleased that you are interested in the WSU RN to BSN Nursing Program, and encourage you to contact us if you need assistance in the application process. We look forward to having you in the program.

Sincerely,

Amy Stegen

Amy Stegen, MSN, EdD(c), RN
RN to BSN Director
Please do one of the following:

1] Mail to:                                                                                      An nie Taylor Dee School of Nursing

Please note that you must live in the State of Utah to attend the RN to BSN

CAMPUS: (Please rank 1 or 2 either Online or Hybrid: Within Hybrid, put a check on whether you would like to be on Davis Campus or Ogden Campus.)

________ WSU/ Hybrid Option
(1 or 2)

________ WSU/ Main Campus (Ogden)
“Hybrid”
The RN to BSN program is now a 2 semester offering (spring/fall or fall/spring). “Hybrid” students come to
campus approximately 5 out of the 14/15 weeks (Approximately every 3rd week on 2 days during that week [Mon -
Thurs]). Certain Nursing Electives may not be offered at both campus locations and online every semester.

________ WSU/Davis Campus (Layton)
“Hybrid”
The RN to BSN program is now a 2 semester offering (spring/fall or fall/spring). “Hybrid” students come to campus
approximately 5 out of the 14/15 weeks (Approximately every 3rd week on 2 days during that week [Mon. - Thurs]).
Certain Nursing Electives may not be offered at both campus locations and online every semester.

________ WSU/ Online Option This is a 2 semester offering (fall/spring or Spring/Fall). Slots will be filled with qualified applicants from geographic areas that
(1 or 2)
are normally served by a WSU Outreach Program (Those who live approximately 50 plus miles from the Ogden Campus).
Remaining unfilled slots will go to most qualified applicants.

If you would not like to complete the program in the full-time option (2 semesters with 12 and 13 nursing hours respectively, plus any remaining hours to reach 120 Total Hours and 40 Hours Upper Division then please check the PART-TIME BOX: □

If you would not like to complete the program in the full-time option (2 semesters with 12 and 13 nursing hours respectively, plus any remaining hours to reach 120 Total Hours and 40 Hours Upper Division then please check the PART-TIME BOX: □

Place your initials on the line next to the box that indicates you will be graduating December 2019 with an Associate of Science in Nursing (AS). Associate of Applied Science (AAS) graduates are not eligible to apply for the RN to BSN program for Spring 2020 and will be required to complete their remaining Core and Breadth (Diversity) Requirements and apply at a future point in time.

Associate of Science #__________ Campus you are attending:
(List your campus location- DTech, BTech, etc., WSU, PN to RN Online)

Date __________, 2019

1. Print name in full E-mail: _______________________________________________________________________
   Last Name First Name Middle/Maiden

2. WSU W# ____________________________ Home Phone __________________________ Cell Phone __________________________

3. RN License # __________ Pending (Must pass boards by the end of Spring Semester 2020 if admitted).

4. Mailing address __________________________________________________________________________
   Number and Street City State Zip

5. Person to be notified in case of emergency: ________________________________ Telephone Number ________________________________

6 Applicant Status (Optional): a) Male ______ or Female ______
   b) Ethnic Background: Black non-Hispanic____ Asian or Pacific Islander____ Hispanic____
      White non-Hispanic (Caucasian)____ American Indian____ Other____
   c) Veteran Status - Have you served in the U.S. Military? Yes ____ No _____ A copy of your 214 showing
      you were honorably discharged or a letter from your commander or first sergeant stating you are
      currently serving in good standing needs to be submitted.

Attach a student copy (Not official) of all transcripts (even if you are sure they are on our system.). You must print up and provide a copy of all your transcripts to this application. I understand that the nursing department will not print my transcripts.

I have read all the pages related to the RN to BSN progression opportunity including this application page. I realize that the program is competitive and that there is no guarantee of admission to the RN to BSN program. I realize that I must be living in the State of Utah to be in the RN to BSN program at Weber State University.

Signed __________________________ Date __________________________

Students not graduating with an Associate of Science (AS) Degree in December 2019 but are graduating with the Associate of Applied Science (AAS) may seek admissions during future application cycles through the regular application process after completing their remaining general education / university graduation requirements.
