About Sherwood Forest
Sherwood Forest is way more than a camp. By balancing traditional camp adventures with evidence-based programs that reinforce and support school-year learning, Sherwood Forest connects with, educates, and inspires the youth of St. Louis. And in doing so, we help kids discover the best in themselves so they can grow up to do good in the world.

We serve children from low-income families and underserved communities from the St. Louis area, who live at or below the federal poverty line. We establish long-term relationships with our campers, their families, and the agencies and schools that serve them.
