

Center for Change, one of the most respected facilities for the treatment of eating disorders, is seeking full-time and part-time Registered Nurses to collaborate with The Center's multidisciplinary treatment team in providing safe, secure, and supportive treatment to inpatients suffering from Anorexia and Bulimia. Center for Change is not the typical acute psychiatric environment. The Registered Nurse at Center for Change experiences opportunities to provide a variety of nursing interventions related to both behavioral health nursing and medical nursing care. Individuals with eating disorders present with a wide range of symptoms that manifest in both the mind and body. We are looking for individuals that are able to address both, in a kind and compassionate manner, and actively participate in the ongoing care and treatment of the whole person.

***We are currently offering signing bonuses!***

\$3,000 for full-time; \$1,500 for part-time.

Please visit our website to learn more about The Center: <http://centerforchange.com/>

Go to our Careers page, click to view all openings and then select the RN job opening to complete and submit your online application <https://jobs.uhsinc.com/center-for-change>

We look forward to hearing from you!

Thank you!
