N.P Preceptorship experiences begins the 5th semester and continue through the 7th semester of the program. This program is clinically intensive and requires appropriate planning to be successful. Students should plan on 2 to 3 days a week during semesters 5, 6 and 7 for the clinical portion of this program. This is above and beyond the hybrid theory course work and labs if required during that semester.

---

If you have a record of criminal actions, it may affect your eligibility for admissions to the WSU Annie Taylor Dee School of Nursing. All applicants will be required to complete a mandatory drug screen. Admission to the program is contingent upon submission of a satisfactory background check and negative drug screen. If a background check reveals a history of criminal actions or the drug screen reveals the presence of controlled substances (prescription or non-prescription) the applicant understands that he / she may not be allowed to begin or remain in the program and will not be entitled to any refunds of tuition dollars or other fees.
