The Post Masters to DNP-Leadership program is a 5 or 6 semester program. Per the American Association of Colleges of Nursing (AACN), a minimum of 1,000 post-baccalaureate practice hours must be completed to earn the DNP degree. Some DNP students may come into the program with more transcripted practice hours than other students.

Please be aware that additional tuition dollars and costs may be incurred depending on the amount of practice hours a student has when applying to the program. Practice hours are achieved during the program through health-related fieldwork experience/hours. The amount of practice hours will vary by student as determined by how many hours each student brings into the program. No two students costs or hours will be exactly the same. This could push total cost for some into the $20,000 to $25,000 range. Please make note of this.

PLEASE NOTE: OUT OF STATE tuition waivers may be available

Application Requirements:

1] Cumulative GPA of 3.0 or higher (on a 4.0 scale): includes all college level course work. If you have a record of criminal actions, it may affect your eligibility for admissions to the WSU Annie Taylor Dee School of Nursing. All applicants will be required to complete a mandatory drug screen. Admission to the program is contingent upon submission of a satisfactory background check and negative drug screen. If a background check reveals a history of criminal actions or the drug screen reveals the presence of controlled substances (prescription or non-prescription) the applicant understands that he/she may not be allowed to begin or remain in the program and will not be entitled to any refunds of tuition dollars or other fees.
