The Post Masters to DNP-Leadership program is a 5 or 6 semester program. Per the American Association of Colleges of Nursing (AACN), a minimum of 1,000 post-baccalaureate practice hours must be completed to earn the DNP degree. Some DNP students may come into the program with more transcripted practice hours than other students.

Please be aware that additional tuition dollars and costs may be incurred depending on the amount of practice hours a student has when applying to the program. Practice hours are achieved during the program through health-related fieldwork experience/hours. The amount of practice hours will vary by student as determined by how many hours each student brings into the program. No two students costs or hours will be exactly the same. This could push total cost for some into the $20,000 to $25,000 range. Please make note of this.

**PLEASE NOTE:** OUT OF STATE tuition waivers may be available

**Application Requirements:**

1) Cumulative GPA of 3.0 or higher (on a 4.0 scale): includes all college level course work. Transfer courses must be from a “Regionally Accredited” College or University that transfer to Weber State University. Please be aware that applicants must have a minimum of 60 graded (3.0 or better) transferable credit hours from a regionally accredited college or university.

2) Earned MS Degree with major in nursing from a Regionally Accredited college or university and nursing accredited program (ACEN, CCNE or CNEA) OR

- Earned BSN, RN, MBA from a Regionally Accredited College or University (ACEN, CCNE or CNEA for the BSN) OR
- Earned BSN, RN, MHA from a Regionally Accredited College or University (ACEN, CCNE or CNEA for the BSN) OR
- Earned BSN, RN, MPH from a Regionally Accredited College or University (ACEN, CCNE or CNEA for the BSN)

Please note: For applicants for whom English is not their first language, a minimum English language proficiency score is required. (TOEFL = 75 overall, with a minimum of 17 in each category; OR IELTS 6.5 overall, with a minimum of 6.0 in each category). Students with a bachelor's degree or higher from a regionally-accredited (or equivalent) university in which the language of instruction was English may be exempt from English-language proficiency testing.

3) Current unencumbered license to practice as a registered nurse or eligible to obtain licensure without restrictions to practice as a registered in the State of Utah (or Compact State).

4) Submission of all documents, curriculum vitae/resume, transcripts and essays [personal statement & case study] per request in the online application system.

Please note: A working knowledge of statistics as utilized in research or administrative functions such as budgets, staffing, etc. is encouraged or completion of an undergraduate statistics course or BSN Research/Statistics course.

**Applications are ranked** according to a selection point system established by the WSU SON Admissions Committee. Applicant ranking will include: GPA 3.0 Minimum Cumulative GPA, vita/resume, writing and critical thinking ability [personal statement & case study], veteran status, structured video response (to be determined after application deadline how many will be invited to submit the structured video response).
