March 15, 2016, Meeting Minutes

Joint Citation Recognizing WSU’s Financial Team

I. The meeting convened at 9:30 a.m.

II. Chair Alan Hall welcomed those present and took roll.

III. On a motion from Heather Hales seconded by Louenda Downs, the Board of Trustees unanimously approved and ratified minutes from the March 15, 2016, meeting.

IV. Hall and President Charles A. Wight read a joint citation recognizing the university’s financial services team for a recent clean state opinion and a tradition of outstanding throughout several years. Wight and Hall signed the citation, and Nolan Karras, chair of the Audit Committee, said that he is impressed and wanted to recognize the team.

ACTION

Upon a motion from Hall seconded by Downs, the Board of Trustees unanimously voted to issue the joint citation recognizing Weber State University’s financial team.

President’s Report

V. President Charles A. Wight gave a report covering the following items:

(Graduation) 1) Following spring 2016 graduation, Weber State University again broke a graduation record in the 2016/17 academic year with more than 5,400 graduates. More than 3,000 graduated in the spring, and David Hall, president of Novatek, was commencement speaker. George Hall, Vickie McCall and Kathryn Lindquist joined David Hall as honorary degree recipients.

(Men’s Tennis) 2) Weber State’s men’s tennis team became a Big Sky season champion with a win over Idaho.

(Women’s Basketball) 3) The WSU women’s basketball team had the most season wins in school history (23 wins) after competing in the Women’s Basketball Invitational tournament.

(Dream 125 Campaign) 4) Weber State had a celebration regarding Dream
125: The Campaign for Weber State in which there was a movie-themed party. Heather Hales, president of the WSU Alumni Association, lauded the program and associated documentary. The campaign has thus far raised $146 million and will officially close on June 30.

| (Solar Project) | 5) At WSU Davis, Weber State will break ground on its largest solar project ever, a 2-megawatt solar project that is expected to provide nearly all the energy needed at that campus. |
| (Stewart Library) | 6) The university began its renovation of the Stewart Library on May 2. The project will take part over two different phases, so the library will remain open. However, it will create improved space and utilities. |
| (Junior League) | 7) In April, Weber State hosted a panel discussion for the Junior League of Ogden titled “Claiming a Seat at the Table Before Crisis Strikes: A Community Discussion on Diversity.” Adrienne Andrews, WSU chief diversity officer, facilitated the discussion, and more than 60 campus and community partners participated. |
| (Refugee Relocation) | 8) Ogden has been designated a refugee relocation site. The university partnered with the Utah Governor’s Martin Luther King Jr. Human Rights Commission and Utah Council for Citizen Diplomacy to host a “King Conversation” focused upon becoming a more welcoming community. |
| (Crystal Crest) | 9) More than 360 people attended the Crystal Crest awards on April 23. Wight was able to honor Bill Cook, executive director of the Ogden City Council, with the President’s Award. |
| (End of Trustees’ Terms) | 10) The terms of two WSU trustees have come to an end. The first is WSUSA President Cash Knight, who is known for his service to his fellow students and the community. Downs commented that Cash Knight is in a class by himself. |

The second trustee to conclude his term is Chair
WSUSA President’s Report

VI. Cash Knight, WSU student body president, gave a report on the following items:

(Service)  
1) WSU Davis held a blood drive. WSUSA held over 20 service events with individual community partners.

(Senate)  
2) The Student Senate created a gender equality and sexual diversity senator, which will represent all students on campus but specifically those in the LGBTQ community.

(WSU Davis)  
3) WSU Davis held the aforementioned blood drive and Wildcat Night at Liquid Canvas.

(Diversity)  
4) WSU hosted Taboo Talks on assisted suicide, racism, bullying and religious micro-aggressions. There was also a drag show in collaboration with WSU Davis.

(Activities)  
5) WSUSA hosted a campuswide Easter egg hunt, which included clues via Snapchat and boosted social media participation. Weber’s Got Talent was also a success. The dive-in movies have invited families to watch movies at the Swenson Building’s pool. The revitalized Shepherd Union space, Waldo’s Corner Pocket, is being used for weekly trivia and other events.

(Other)  
6) The Crystal Crest Awards were unbelievable, WSUSA elections went well. Incoming WSUSA Student Body President Greg Woodfield will replace Knight at the Board of Trustees in September.

**Faculty Report**

| VIII. Faculty Senate Vice Chair Marek Matyjasik introduced Rick Ford, chair of the Department of Geosciences, who gave a report on two initiatives that his department has undertaken to better ensure |
that students are better prepared for the workforce. The department made an effort to contact graduates and determine what area of geosciences those graduates are working in. Details gleaned from that data will influence curriculum. In addition, the department has reached out to alumni to take part in a geosciences advisory council, which meets twice a year. Trustees discussed how important it is for departments to collect data, which can be used persuasively and be used to better prepare students.

Staff Advisory Committee

IX. Jennifer Unguren reported that the Staff Advisory Committee will be working on or have suggested additions or changes to WSU policies and procedures. In addition, the committee will soon present the Super Staff Awards. Amelia Williams will be the chair of that committee for the 2016-17 academic year. President Wight thanked Unguren for her service on the council.

Committee Reports

X. Nolan Karras, filling in for Business Committee Chair Scott Parson, gave the following report:

1) Enrollment is down considerably for the summer quarter, which could impact the upcoming fiscal year’s budget. Vice President Norm Tarbox reported that, though fall enrollments look down, there’s still a lot of time to enroll. Athletics success and travel to tournaments also impacted the budget more than expected.

2) Karras invited Tarbox to discuss the university’s guiding principles, which connect WSU’s values with its budget process. Tarbox said the principles will not change often, but they will be reviewed yearly as context for the budget discussion. Tarbox also discussed the Utah Legislature’s 2016 allocation for student-athletes summer school. Karras noted that the percentage of the budget coming from tuition is 47.5 percent.

ACTION

Upon a motion from Karras seconded by Downs, the Board of Trustees unanimously approved the base budget for FY ’17.
3) The State of Utah is at the forefront of putting money away for capital improvement projects. Weber State’s $4.9 million allocation included projects such as the renovation of the Wattis Business Building and sustainability-focused heating and cooling wells.

ACTIONS

Upon a motion from Karras seconded by Kevin Sullivan, the Board of Trustees unanimously ratified the Utah Building Board’s list of WSU capital improvement projects.

4) The Quarterly Construction report included faculty moving into the Tracy Hall Science Center. Funding is still being pursued for the renovation of the Social Science Building, and Weber State is continuing its pursuit of a community outreach center near 26th Street and Monroe Boulevard. Stephens voiced support for a partnership between school districts and WSU for adult education courses at the proposed center.

ACTIONS

Upon a motion from Karras seconded by Downs, the board unanimously approved the Quarterly Construction Report.

5) WSU Athletics had many successes, from tennis, to basketball, to softball. Karras also noted that Craig Oberg, the faculty athletics representative, has been paying attention to graduation rates and other items.

ACTIONS

Upon a motion from Karras seconded by Downs, the Board of Trustees unanimously approved the WSU Athletics Report.

IX. Kevin Sullivan, chair of the Personnel & Academic Policy Committee, gave the following report:

1) The Telitha E. Lindquist College of Arts and Humanities proposed the Board of Trustees selection of Scott Sprenger, currently of American University of Paris, as dean of that
college. In addition to serving at that university, Sprenger has worked at Brigham Young University and the University of California, Los Angeles. Provost Madonne Miner was impressed with Sprenger’s qualifications.

**ACTION**

Upon a motion from Jeff Stephens seconded by Downs, the Board of Trustees approved Scott Sprenger as dean of the College of Arts and Humanities with the friendly amendment that he be approved as a tenured full professor as well.

(Special Leave Request: Catherine Zublin)

2) The committee recommended special leave approval for Catherine Zublin for the 2016-17 academic year. Zublin served as interim dean of the College of Arts and Humanities, is going back to teaching and has requested time to renew professional connections and re-focus professional work.

**ACTION**

Following a motion from Downs seconded by Karras, the Board of Trustees unanimously approved special leave for Catherine Zublin.

(Promotion, Tenure and Emeriti Recommendations)

3) The committee recommended approval of promotion, tenure and emeriti recommendations.

**ACTION**

Upon a motion from Sullivan from seconded by Downs, the Board of Trustees unanimously approved promotion, tenure and emeriti recommendations.

(Name/Structure Change: Exercise & Sport Science)

4) The committee recommended a program name change and restructuring from Human Performance Management to Exercise & Sport Science. The change would bring WSU in line with programs of a similar nature. The restructuring will better align with student interest.

(Program Proposal: Emphasis in Exercise & Sport Science)

5) The committee recommends establishing an emphasis in Exercise Science within the Program of Exercise & Sports Science, which is designed to better prepare students for postgraduate work.
6) The committee recommends establishing a B.S. in Nutrition Education, which is largely driven by student demand.

**ACTION**

Upon a motion from Louenda Downs seconded by Knight, the Board of Trustees unanimously approved the program name change to establish Exercise and Sport Science program, the emphasis of Exercise Science within the program of Exercise & Sport Science and B.S. in Nutrition Education. All three proposals will go to the Utah State Board of Regents for final approval.

7) The committee recommended that the board establish an Associate of Science with mathematics pre-major program. The program acts as a milestone on the way to a bachelor’s degree and helps ensure a bachelor’s degree in math.

**ACTION**

Upon a motion from Stephens seconded by Louenda Downs, the Board of Trustees unanimously approved the creation of the A.S. with Mathematics Pre-Major program.

8) The committee proposed two program discontinuations: BS in Marketing Composite Teaching and a BS in Athletic Training. In regard to the Marketing Composite Teaching discontinuation, Stephens noted that those programs align well with high schools. However, low student interest unfortunately necessitates program discontinuation. Trustees and WSU officials discussed the difficulties of attracting people to the teaching profession.

The athletic training discontinuation is in response to new national master’s degree requirements for accreditation.

Students will be able to graduate from those programs for the next five years.

Upon a motion from Karras seconded by
9) The committee proposed a transfer of WSU’s B.S. in Health Promotion from a shared program in the Dr. Ezekiel R. Dumke College of Health Professions and Jerry & Vickie Moyes College of Education to being housed solely in the college of education. Upon a motion from Downs seconded by Knight, the Board of Trustees unanimously approved the program transfer.

10) The committee submitted a proposed policy change that would allow approval for post-tenure salary increase to also count as post-tenure review. Upon a motion from Knight seconded by Hales, the Board of Trustees unanimously approved the tenure policy change.

11) The committee brought forth a proposed change to PPM 3-29a: Family and Medical Leave, which would add the definition of “immediate family” to the policy.

12) The committee brought forth a proposed change to PPM 8-6: Faculty Appointments, which would establish the provost as mediator in disagreement between a department chair and dean concerning prospective faculty members’ qualifications.

13) The committee brought forth a change to PPM 8-11: Evaluation of Faculty Members, which would allow certain activities to count for credit in multiple areas (teaching, research and/or service) and includes high-impact practices as examples of good teaching.
| (Program Review) | 14) Following earlier revisions, the committee brought back a program review for Design Engineering Technology for full board consideration. |
| Other | 15) Upon a motion from Stephens seconded by Downs, the Board of Trustees unanimously approved the program review for Design Engineering Technology. |
| Meeting Adjourned | X. Sullivan noted an information item regarding guidelines for stackable degrees in the meeting packet. He also noted that, during the College of Engineering, Applied Science and Technology convocation, all engineering graduates he came across were going to work at Hill Air Force Base. Hall noted the Calendar of Events in the packet. |
| Meeting Adjourned | XI. Following the conclusion of board business, trustees voted to adjourn the meeting at 10:45 a.m. |
1. WSU is breaking graduation records yet again with more than 5,400 graduates this academic year. Commencement took place April 29 and featured Novatek president David R. Hall as commencement speaker.

2. WSU men’s tennis team is a Big Sky champion after beating Idaho 4-3 on May 1. The team finished the season with a 14-7 overall record and 10-1 Big Sky record. WSU’s win over Idaho was a bit of revenge against the latter team, who handed Weber State its only conference loss earlier in the season. WSU will now advance to the NCAA Regional Tournament.

3. After making it all the way to the Women’s Basketball Invitational finals, the WSU women’s basketball team had 23 victories, the most season wins in school history. The Wildcats faced Louisiana in the final game, but lost by two points in double overtime. The Ogden City Council recently recognized both the women’s and men’s teams, as well as cross country student-athlete Jamie Stokes, for their accomplishments this season.

4. In mid April, the university formally celebrated exceeding its goal for Dream 125: The Campaign for Weber State. A movie-themed donor celebration took place on April 12, when the university was first able to announce that fundraising had exceeded $146 million – $21 million more than the original goal. A campus celebration followed on April 14 with a carnival atmosphere. The campaign won’t officially closes June 30.

5. High school students launched model rockets, cardboard boats and mini racers as part of the second annual Engineering Technology Open House, hosted at WSU. The rockets were judged on speed, distance and accuracy. Boats made of only cardboard and duct tape were capable of floating two people across a pool. In addition, students raced the 3D-printed mini dragsters, powered by compressed air.

6. In June, Weber State will break ground on its largest solar project ever, a panel installation of approximately two megawatts at WSU Davis. The installation will cover about seven acres of land and is expected to provide nearly all the electricity
needed for that campus. This year, WSU also expects to convert its entire facilities management golf cart fleet to solar power.

7. The two-phase renovation of the Stewart Library began on May 2. The renovation will increase quiet study and collaborative workspace, upgrade windows and skylights, increase the number of faculty research offices, and create a new testing center among other improvements. The entire project is expected to be complete by June 2017.

8. In April, Weber State hosted the Junior League of Ogden for a presentation and panel discussion titled, "Claiming a Seat at the Table Before a Crisis Strikes: A Community Discussion on Diversity.” The discussion featured Junior League chapter presidents Cylia Lowe of Baltimore, Maryland, and Dorothy Saxton of Charleston, South Carolina. A panel discussion facilitated by Adrienne Andrews, chief diversity officer, followed. More than 60 campus and community partners participated in an engaged discussion about inclusive practices and building inclusion.

9. Ogden has been designated a refugee relocation site and refugees are expected to begin arriving in the summer. In an effort to ignite conversation, the university partnered with the Utah Governor's Martin Luther King, Jr. Human Rights Commission and the Utah Council for Citizen Diplomacy to host a "King Conversation" focused on refugee resettlement and how to be a welcoming community on April 19. More than 50 campus and community guests attended. Attendees also discussed volunteer opportunities, housing questions and employment resources.

10. More than 360 people attended the 34th Annual Crystal Crest Awards on April 23, with 13 awards being given. Bill Cook, executive director of the Ogden City Council, received the President’s Award for his support of the College Town Initiative.

11. Two Weber State University trustees are nearing the end of their service on this board. The first is WSUSA Student Body President Cash Knight, whose Weber State Student Association reports were often filled with descriptions of students helping others. Knight’s legacy will be one of service, not only to his fellow students, but also to his entire community. Weber State thanks him for his service to the board and the university in its entirety.

The upcoming conclusion of the Dream 125 Campaign also signifies that Board of Trustees Chair Alan Hall is nearing the end of his service. Hall has been on the Board of Trustees since 2007 and has acted as chair since 2010. In addition to his service as chair, he has served on the Business Committee, Honorary Degree Committee and Community Partnerships and Economic Development Committee. Hall has been an invaluable, wise leader of this board who has guided the university during a productive period that has seen many changes. Weber State thanks Alan Hall for his exemplary service on this board and to the university.

Student Alumni Association
Ogden Nature Center Service Project: April 2nd, 2016
The SAA Executive Council participated in the Ogden Nature Center's annual planting project. The council helped the Nature Center staff, among other community volunteers, to plant new trees and plants at the center.
Nominations for next year's council:
The SAA is looking for nominations/candidates to serve on the Executive Council next year. Candidates can apply by visiting alumni.weber.edu/bc or can contact Melissa Stuart at mleonard@weber.edu for more information.

Emeriti Alumni Council
• Nice Work If You Can Get It: March 5th, 2016
The Emeriti Alumni Council (EAC) met at Ligori’s Pizza and Pasta for a no-host dinner and then attended Jim Christian’s final play at WSU due to his upcoming retirement.
• Weber Cares Can Judging: March 14th, 2016
The EAC participated in the Weber Cares food pantry annual can-collecting competition. Council members acted as judges for students' can-building competition in the Shepherd Union Building.
• Ogden Marathon Pins: April 6th, 2016
The Emeriti Alumni Council once again partnered with the Goal Foundation to help put together all of the safety pins for the runners participating in the Ogden Marathon.
• Emeriti Spring Social: April 8th, 2016
The annual EAC Spring Social & Reunion was held at the Lindquist Alumni Center. President Lee Crittenden presented the EAC Annual Report, and Dick Brown provided the musical entertainment.
• Grad Fest: April 19th, 2016
The EAC participated in the bi-annual Grad Fest, held in the Shepherd Union Ballroom. Council members helped staff the event, distributing cap and gowns, serving cake, and acting as greeters. The EAC always enjoys volunteering for this event and appreciates the connection that they make with the students by participating.
• Commencement Luncheon: April 29th, 2016
EAC members volunteered as ushers at the Commencement Luncheon for the Class of 2016 and families.

Weber Historical Society
Charles Trentelman, a retired newspaper columnist and history researcher at the Union Station, presented on the now-forgotten 1904 Jackson train wreck, which occurred 80 miles west of Ogden. The lecture, held April 18th in the Hurst Center for Lifelong Learning’s Dumke Hall, was well attended.

Dixon Awards
The recipients of the Weber State University Alumni Association’s 2016 H. Aldous Dixon Award strive to create a rich learning environment that includes lessons in the classroom, in the community, and on
the court. Since 1970, the WSU Alumni Association has presented the Dixon Award to outstanding faculty and staff who have taken extra measures to meet the needs of students. The award is bestowed in memory of President Dixon, who served as the school’s chief administrator from 1919-20 and from 1937-53. Known for his dedication to higher education and warm rapport with students, Dixon stated on more than one occasion, “Young people are the foremost of my hobbies.” Associate Athletic Director Amy Crobie and history professor Gene Sessions were honored at a luncheon March 23 at the Hurst Center.

- **Alumni Golf Classic: Friday, June 10th, 2016**
  For the third year in a row, we sold out of foursomes in record time. We still have opportunities for sponsors of all levels. Our title sponsor this year will once again be the Weber State Credit Union, which is the newest affinity partner of the Weber State Alumni Association. Maverik will provide breakfast, and Nicholas and Company and The Prairie Schooner will provide lunch. The tournament will be at The Barn Golf Club.

- **Memberships and Phone-a-thon**
  - **Hire Utah Alumni Career Fair:**
    WSUAA has partnered with Career Services to promote the Hire Utah Alumni 2016 Career Fair to both alumni and potential employers. The fair will take place on Wednesday, June 1, 2016, from 11 a.m. to 2:30 p.m. at the South Towne Expo Center. This fair provides the opportunity for college alumni from various Utah colleges and universities to network with 150+ employers.
  
  - **New Graduate Membership Partnerships**
    WSUAA has reached out to a few departments on campus to help establish an alumni connection between colleges and their new graduates. This co-branded partnership, which is in its preliminary stages, will "gift" an alumni membership to new graduates from their department or college.
    
    Current partnerships includes:
    - Teacher Education Department - potential membership 134
    - Master of Health Professions - potential memberships 22

  - **Spring Phone-a-thon- 2016 (January - April)**
    Amount Pledged: $1,805.00
    Amount Paid: $1,110.00
    Amount Fulfilled: 61.50%

BUSINESS COMMITTEE MEETING

Minutes 1. The minutes of the meeting held on March 15, 2016, were approved on a motion by Mr. Hall, and a second, by Ms. Hales.

Financial Report for the Month ending March 2016 2. Vice President Tarbox reviewed the Financial Report for the month ended March 2016. He reported that 75% of the year completed, 64.72% of the budget was expended. Vice President Tarbox mentioned that this report reflects 9 months of activity. He mentioned that Basketball Season was expensive for us. The Men’s Team in Reno for a full week, and the Women’s Team invited to play in multiple games, will incur a loss because of post season play.

Vice President Tarbox also reported that enrollment is down significantly this summer and Fall registration is not looking much better. He mentioned that with a 7% increase in employment, it is most likely to have an effect on WSU’s enrollment.

Motion 3. On a motion by Mr. Hall, and a second by Ms. Hales, the Financial Report for March 2016 was approved.

Base Budget FY2017 4. Vice President Tarbox reviewed the WSUFY17 Budget Guiding Principles with the Business Committee. He reported that among the actions of the 2016 Legislature was a $5.2 million tax fund increase for WSU. Also reflected in the budget figures are a
Tier-1 tuition increase of 3.5% and a Tier-2 tuition increase of 0%.

Vice President Tarbox reviewed the base budget for FY2017 with the business committee.

Halverson mentioned that the agreements have been signed and installation will begin in June.

- **Community Education and Outreach Center** - Mr. Halverson reported that the programming has been completed. Continuing Education and the Community are very excited about this project.

- **Wattis Business Building MEP Renovation** - Mr. Halverson mentioned that Okland Construction won the bid and construction has begun. The team will be completing the project in 90 days.

- **Geothermal Well Field and W5 Lot Renovation** - Mr. Halverson mentioned that 2 different crews will be working on this project. The work will be completed for the start of school in August.

- **The Stadium House** - Mr. Halverson reported that the facility is complete and Athletics has occupied the space. Landscape work should be completed by June.

**Motion**

9. On a motion by Ms. Hale, and a second by Mr. Hall, the Quarterly Construction Report was approved.

**Quarterly Athletic Report**

10. Mr. Jerry Bovee, Director of Intercollegiate Athletics, presented the Quarterly Athletic Report. He reported on the following:

- Mr. Bovee mentioned that WSU Softball is tied for first place and the winner of the regular season will host the Big Sky Tournament.

- Mr. Bovee reported that the men’s and women’s track and field terms are gearing up for the Big Sky Championships which will be held May 11-14 in Greeley, Colorado. Natasha Powell has broken her own school record in the hammer throw.

- Mr. Bovee mentioned that both the men’s and women’s tennis teams have performed well.

- The men’s golf team finished 5th and the women’s golf team finished 4th, which was a good year for the women, considering their coach passed away the middle of the year.

- Mr. Bovee reported that football has 17 returned starters from last years squad.

- Men’s Basketball won the Big Sky regular season title and then captured the Big Sky Conference Tournament in Reno, Nevada and advanced to the NCAA Tournament.

- The Women’s Basketball Team set a new school record with 23 wins this past season and they advanced to the championship game.

- Mr. Bovee mentioned that 190 student athletes will be taking at least 6 credits this summer semester. 71 of them will be living in University Village.
- The new commissioner for the Big Sky Conference will be on board July 1st.
