Radiologic Technology programs are available at
WSU-Ogden, Provo (Utah Valley Hospital), and various Outreach locations

Application Deadline:  January 10 of every year
Program Begins:    Fall semester of each academic year

If you can check each of the left-hand column blanks, you are qualified to apply to the program!

______ Have you applied to Weber State University (may be completed online at weber.edu)?

______ Is your college/university overall cumulative GPA at least 2.0?

______ To be eligible to apply, you need to have a final or progress/midterm grade from one of the two Science Options listed below (at least one final grade is preferred). Both courses within the Science Option must be completed prior to starting the Radiologic Technology program:

**Science Option 1**  **OR**  **Science Option 2**

______ Int. Anat/Phys I (HTHS 1110)  ________ Human Anatomy (Zoology 2100)
______ Int. Anat/Phys II (HTHS 1111)  ________ Human Physiology (Zoology 2200)

If completing either Int. Anat/Phys or Anatomy/Physiology during the Spring semester, when applications are due, submit progress grades for those courses – **Due: March 1!**

______ Prior to starting the Radiologic Technology program, complete all of the following Support courses:

______ English 1010  ________ English 2010
______ Psychology 1010  ________ Communication 1020 or 2110
______ Math 1010*  ________ General Ed. Physical or Life Science course (only if completing Science Option 2)

*Math 1010 is required for the AAS degree for Radiologic Technology; however, if pursuing a Bachelor degree in an Advanced Radiologic Science program, students will be required to fulfill Math QL (1030, 1040, or 1050 – only one of the three). Math 1010 will expire after two years.

______ Submit or postmark a complete application by January 10. Applications are available online at weber.edu/radsci or by contacting the DCHP Admissions and Advisement Office at 801.626.6136 or HealthProfessions@weber.edu.

Once I am qualified, how do I improve my chances of getting accepted?

- Grades are the biggest part of the selection process, especially Science Option courses (Int. Anat/Phy I/II or Anatomy/Physiology). Average GPA of accepted students is a 3.5, with grades of ‘B+’ or higher in the Science Option courses. Grades in Science Option courses are weighted heavily!
- For the interview process, it is ideal to get into a hospital or clinic and obtain observation, job shadow, or volunteer experience. Additional resources are found at arrt.org or asrt.org. If unable to get into a hospital/clinic Radiology department, any direct-patient experience may help.
- Although first-time applicants may be accepted into the program, additional consideration will be given to previously qualified applicants.
- Additional consideration for an earned AS/AA or higher degree, and any current medical certifications.
- Ensure most recent semester grades are posted on your transcript. This may necessitate the need to turn in or mail applications in early-January as opposed to December.
- Students may apply to multiple Radiologic Technology locations. However, many Outreach locations give preference to students living in the area or surrounding areas. A separate and complete application including fee, reference forms and transcripts – must be submitted for each location.
Frequently asked questions: Where are the Radiologic Technology Outreach programs located?

**Utah Locations**
- Ashley Regional Medical Center, Vernal
- Beaver Valley Hospital, Beaver
- Blue Mountain Hospital, Blanding
- Castleview Hospital, Price
- Cedar City Hospital, Cedar City
- Central Valley Medical Center, Nephi
- Fillmore Community Hospital, Fillmore
- Garfield Memorial Hospital, Panguitch
- Gunnison Valley Hospital, Gunnison
- Moab Regional Hospital, Moab
- Mountain View Hospital, Payson
- Revere Health, Provo Area
- Revere Health, St. George
- San Juan Hospital, Monticello
- Sanpete Valley Hospital, Mount Pleasant
- Sevier Valley Medical Center, Richfield
- Uintah Basin Medical Center, Roosevelt
- Utah Navajo Health System, Blanding & Montezuma Creek

**Arizona Locations**
- Banner Hospital, Page

**Nevada Locations**
- William Bee Ririe Hospital, Ely

**New Mexico Locations**
- Northern Navajo Medical Center, Shiprock
- San Juan Regional Medical Center, Farmington

**Wyoming Locations**
- Evanston Regional Hospital, Evanston
- Memorial Hospital, Rawlins
- New Frontier Imaging, Rock Springs
- Riverton Memorial Hospital, Riverton
- St. John’s Hospital, Jackson
- Star Valley Medical Center, Afton
- Sweetwater Memorial Hospital, Rock Springs

**Colorado Locations**
- Animas Surgical Center, Durango
- Mercy Regional Medical Center, Durango
- Southwest Memorial Hospital, Cortez

**Idaho Locations**
- Bear Lake Memorial, Montpelier
- Mountain View, Idaho Falls
- Teton Valley Hospital, Driggs

How do my credits transfer from other institutions?
You may visit our online transfer guide at [weber.edu/transferguide](http://weber.edu/transferguide) for a list of courses from other regionally-accredited colleges/universities and show how those courses transfer to Weber State University.

I am just starting, what courses should I register for?
*If you placed into Math 0950...*  
- HTHS 1108 – Biocalculations for Health Professionals  
- HTHS 1103 – Intro to Health Careers  
- HTHS 1101 – Medical Terminology  
- English 1010 – Intro to College Writing  

*These are suggested schedules, not required!

*If you placed into Math 1010 or QL...*  
- Math 1010 or Math QL (1030, 1040, or 1050)  
- English 1010 – Intro to College Writing  
- HTHS 1110 Int. Anat/Phys or Zoology 2100 – Anatomy  
- Psychology 1010 – Intro to Psychology  

Is there a time limit to how old my courses can be?
There is no expiration for any prerequisite course; however, if intending to pursue a Bachelor’s degree in Advanced Radiologic Sciences, it is highly recommended students fulfill Math Quantitative Literacy (QL) after completion of Math 1010. Per WSU policy Math 1010 will expire after two years once declared in a Bachelor’s program. Math QL fulfills the Math general education requirement needed for AS/BS degrees and has no expiration. Math QL is the state requirement for math and is fulfilled by taking either Math 1030, 1040 or 1050 (only need one) with a grade of ‘C’ or higher.

Do I need letters of recommendation?
No. As part of the application, there are reference forms that need to be filled out by three individuals. It is recommended that individuals who have seen your work ethic fill out your reference forms.

What should I expect once I’m accepted into the program?
The Radiologic Technology program is a five-straight semester program (Fall, Spring, Summer, Fall, Spring). You will have lab and class twice a week and 24 hours a week of clinical work at your assigned facility (traditionally three days of 8-hour shifts). Clinical sites are assigned to you by the School of Radiologic Sciences.

For additional questions on application requirements or any other Pre-Radiologic Technology concerns, please contact the Dr. Ezekiel R. Dumke College of Health Professions Admissions/Advisement Office. An advising video is also available online to go over the applicant checklist: [weber.edu/chpadvising](http://weber.edu/chpadvising)
