Tuition and Fee statement

I understand that by registering for classes at Weber State University (WSU) I am obligated to pay or make arrangements to pay my tuition and fees by the payment due date. It is my responsibility to drop my classes if I do not plan on attending WSU. WSU does not drop courses for nonpayment or nonattendance. I have read and understand the "Agreement to Pay Tuition Charges" below.

Agreement to pay tuition charges

In consideration of the University allowing me to register for courses, thus incurring the attendant costs to the University, both direct and indirect, I promise to pay Weber State University (WSU), Ogden, Utah, tuition and fees (principal) assessed to me for courses for which I have registered by the published payment due date for each semester. Also, I agree to pay for any additional fees and interest charges that are assessed to my account each semester. I hereby agree to pay a late payment fee of \$40 if my account balance is not paid by the published payment due date, together with interest at the rate of 12% per annum on the unpaid balance. In the event I default on this agreement and it becomes necessary to place this account for collection, I also agree to pay collection fees, not to exceed 40.00% of the original principal balance, plus any court and/or attorney fees resulting from the enforcement of this agreement. Any collection costs stated above are in addition to the principal, fees and interest due on my account. In the event of default of any of the terms of this agreement, I hereby give to the WSU Controller, or his/her designee, Power of Attorney to apply all monies due me from WSU to any delinquent portion of this note until the principal, fees, interest and costs are paid in full. I agree that WSU may repay my account balance from any TITLE IV funds due me. I understand that the principal amount is calculated based on my class-load each semester at WSU. All outstanding tuition account balances are considered qualified educational loans under I.R.C. §§ 221 and are extended with the express understanding that future repayment shall be made to the university. I further understand that my acceptance of these terms represents my acknowledgement and acceptance of my tuition account balance qualifying as a qualified education loan under I.R.C. §§ 221, and as such, its exemption from discharge under the federal bankruptcy code, 11 U.S.C. §§ 523(a)(8).

Interruption or Changes in Instruction Due to COVID-19 or Circumstances Beyond the Reasonable Control of the University

Delivery method of courses and delivery of services may be interrupted or changed due to circumstances related to COVID-19 as deemed appropriate by WSU. In addition, there may be circumstances beyond the reasonable control of WSU that require change in delivery method or other changes to WSU services. Such circumstances may be a health emergency, closure of WSU due to damage or destruction of the physical facilities, like an earthquake, or other events including but not limited to natural or person-made events such as civil unrest, strike, cyberattack, pandemic, directive of government or health authorities, etc. In the event of the interruption or changes in instruction for such reasons, you recognize and agree that WSU may deliver all or part of the courses and services in a virtual environment or in other non-traditional ways. This may occur at any time including prior to the start of or in the middle of a semester. Agreeing to the statement and registering for courses acknowledges your understanding and acceptance of alternative delivery methods. In addition, you recognize and agree that in the event of such circumstances described herein that cause courses or services to be suspended or canceled that WSU will make a good faith determination of when or if courses will be resumed and may determine that the courses are sufficiently complete for the awarding of credit without further instruction with or without final exams, projects, papers, etc. You agree that WSU's decision in such cases is final and that you will be entitled only to a refund of a pro rata amount of tuition if courses are not sufficiently completed and not resumed or rescheduled or no refund if courses are sufficiently completed; you agree that this is your sole remedy. In addition, you agree, in advance, you waive any right to seek damages, direct or indirect resulting from or related to such circumstances described herein. If WSU determines to provide pro rata refunds, you agree that such refunds may be in the form of a tuition credit for future semesters.
