Do you have a a e?

If you are working at a facility that is willing to take you as a student for your clinical hours, you will need to verify that they are willing to take you as a student for 24 hours per week throughout the program. You will need to **provide a letter from the clinical supervisor with your application** verifying that they will accommodate you as a student.

If you don't have a clinical site, the application will have a place for you to rank your top 3 choices of clinical sites. We try to place students in areas close to where they live, but it is not always guaranteed.

If needed, an affiliation agreement can be set up between WSU and your clinical site. Contact for assistance at 801-626-8537 or aredthompson5@weber.edu
