

WEBER STATE UNIVERSITY
SCHOOL OF RADIOLOGIC SCIENCES
LEARN WITH PASSION, THEN LEAD WITH PURPOSE

Associate of Applied Science in Radiography

Becoming a Radiologic Technologist

The Associate of Applied Science in Radiography is the starting point for any student interested in pursuing a profession in Radiologic Sciences. Students in our program will work directly with Radiologists and receive both classroom instruction and hands-on clinical practice.

Locations

Ogden (Main Campus)
Provo
Outreach (I-15 and East Utah)
Wyoming, Colorado
Montana, New Mexico
Arizona

Certification

Upon completion, you will be eligible to take the national certification examination given by the American Registry of Radiologic Technologists (ARRT).

What You'll Learn

Patient Care and Assessment
Psychosocial Aspects of Patient Care
Radiation Biology
Safety and Protection
Radiation Physics
Instrumentation
Anatomy and Pathology
Radiographic Positioning Procedures
Medical Terminology
Diagnostic Imaging
