We cannot have students register until student selection is completed and Acceptance Agreements are returned to us by May 7. Courses are set up to fit the class size with assigned CRNs, so you will never have to worry about a waitlist or choosing the wrong class. I will declare student degrees as I receive acceptance agreements. If you need your declaration for Financial Aid purposes, please ensure that you get your paperwork to me as soon as possible. |
| April 14      | Provo Interviews                                                                        | Zoom 8:00AM – 5:00 PM                                                                      |

Acceptance & Alternate letters will be accompanied by an Acceptance Agreement, with which you will indicate if you accept or deny the position you’ve been awarded. Letters will go ONLY to your Weber email. |
| May 7         | Acceptance Agreements for Campus & Provo Return Deadline                                 |                                                                                           |
