The Bulletin Board has a Master Textbook list section. Here you can find the book titles, editions, and ISBN’s.
What if you don’t see a class listed on the Textbook Master list?

You likely won’t need a textbook for this class! Double check with your professor to make sure, but if there’s nothing listed you probably don’t have one! Yay!
Some Friendly Advice on Textbooks....

Although our best effort is put forward to make sure the accurate books are available in the bookstore, there will occasionally be mistakes. To help ensure you purchase the correct books always complete these two things...

1) Make sure you have the correct ISBN number. This can be found on our master textbook list.

2) Check the edition on the textbook list – most books change editions frequently and IT IS YOUR RESPONSIBILITY TO PURCHASE THE CORRECT EDITION.
We know you’re ready for registration…but you need to be aware of a few things…
We do things a little differently here, and because of this you need to know one important detail:

ARE YOU A REGIONAL STUDENT OR A CAMPUS STUDENT?
Regional or Campus: What’s the difference?

The program for Regional and Campus students is identical EXCEPT for how they register.

Regional students come to us from out of state.

Campus students are Utah state residents.
Pop Quiz: How do you know if you’re a Regional or a Campus student?

Your mom knows everything and tells you which one you are?

WRONG
We know your mom is super smart, but in this case you might want to check some facts...we promise we won’t tell her.

An Alien visited you and insists you are a campus student even though you live in North Dakota?

WRONG
We love E.T. but I’m not sure he is geographically familiar enough with our region to determine this distinction.

It’s based only on where you live?

Correct
If you live in Utah – you’re a campus student.
If you don’t – you’re a regional student.
The moment you’ve been waiting for: Registration

- The main thing you need to know is that all courses need to be entered manually. You MUST enter the CRN’s provided to you in order to register correctly.

- If you search for your class you will NOT be in the correct class – even if it looks like the correct one. Trust us, we’ve done this a time or two.
So what is a CRN number?

A CRN IS A: 
COURSE REGISTRATION NUMBER
IT CONTROLS HOW MUCH TUITION YOU ARE CHARGED.

IF YOU ENTER THE WRONG ONE YOU COULD END UP PAYING TRIPLE THE AMOUNT OF TUITION

RAISE YOUR HAND IF YOU WANT TO PAY TRIPLE TUITION... YEAH, WE DON'T WANT YOU TO EITHER... SO IF YOUR HAND IS RAISED PUT IT DOWN!
Now you’re going to learn how to find those CRN’s, but first you need to remember the following:

• If you’re a Campus student you will ONLY USE Campus CRN’s

• If you’re a Regional student you will ONLY USE Regional CRN’s

Is it starting to make sense yet? We sure hope so!
Pop Quiz: Where do you find your CRN’s?

IF YOU GUESSED THE BULLETIN BOARD YOU ARE AWESOME
Locate the Specialty Student area on the bulletin board.
Here you will find:

- The upcoming semester schedule
- Registration dates
- CRN's

**Fall Schedule**  *Class times are subject to change but dates will remain the same*

- Semester begins - August 26th
- Last day to cancel classes - September 16th

- **Advanced Radiologic Sciences**
  - Campus
  - Regional

- **Cardiovascular-Interventional Technology**
  - Campus
  - Regional

- **Computed Tomography**  (Not combined)
  - Campus
  - Regional
This is what your schedule looks like, here’s a few helpful hints:

- If your class isn’t listed it likely doesn’t have a face to face meeting, but ALWAYS double check with your professor.

- Make sure to check the appointment section. Some classes are by appointment only and this is something YOU are responsible for.
To find your CRN’s:

- Locate your program of study

- Click on your correct link – campus/regional

- Make sure you are choosing the correct program and the correct CRN’s

Pay attention to details. We offer a variety of programs. If you are a MRI/CT combined student, you would NOT choose these CRN’s.

By the time you’re a second year student you’ll be a pro, so make sure you’re choosing 1st Year.
Locate the CRN column and keep them available.

It’s now time to register.

Tuition and Fee statement

I understand that by registering for classes at Weber State University (WSU), I am obligated to pay or make arrangements to pay my tuition and fees by the payment due date. It is my responsibility to drop my classes if I do not plan on attending WSU. WSU does not drop courses for nonpayment or nonattendance. I have read and understand the "Agreement to Pay Tuition Charges" below.

Agreement to pay tuition charges

In consideration of the University allowing me to register for courses, thus incurring the attendant costs to the University, both direct and indirect, I promise to pay Weber State University (WSU), Ogden, Utah, tuition and fees (principal) assessed to me for courses for which I have registered by the published payment due date for each semester. Also, I agree to pay for any additional fees and interest charges that are assessed to my account each semester. I hereby agree to pay a late payment fee of $50 if my account balance is not paid by the published payment due date, together with interest at the rate of 12% per annum on the unpaid balance. In the event I default on this agreement and it becomes necessary to place this account for collection, I also agree to pay collection fees, not to exceed 40.0% of the original principal balance, plus any court and/or attorney fees resulting from the enforcement of this agreement. Any collection costs stated above are in addition to the principal, fees, and interest due on my account. In the event of default of any of the terms of this agreement, I hereby give to the WSU Controller, or his/her designees, Power of Attorney to apply all monies due me from WSU to any delinquent portion of this note until the principal, fees, interest and costs are paid in full. I agree that WSU may repay my account balance from any TITLE IV funds due me. I understand that the principal amount is calculated based on my class-load each semester at WSU. All outstanding tuition account balances are considered qualified educational loans under 20 U.S.C. 2921 and are extended with the express understanding that future repayment shall be made to the University. I further understand that my acceptance of these terms represents my acknowledgement and acceptance of my tuition account balance qualifying as a qualified education loan under 20 U.S.C. 2921, and as such, its exemption from discharge under the federal bankruptcy code, 11 U.S.C. 525(a)(8).
