In a FLEX schedule, course delivery may vary based on Covid-19 environment, policies, and procedures. Therefore, students will need to maintain consistent communication with faculty and staff.

- At the beginning of Spring 2021, all courses will be taught virtually through ZOOM. If face-to-face courses become available, students will be notified through their WSU email.
- Labs will be scheduled for 1st year radiography as face-to-face beginning the first week of the semester. A separate lab schedule will be provided on the bulletin board and the lab canvas course.
- Please note that regardless of meeting face-to-face or via ZOOM, class days and time block will remain the same. For campus students, classes will be from 8:00 am to 12:30 pm on Tuesdays.

Important Semester Dates:

Jan. 11: Semester Starts
Jan 18: Holiday (No class, No Clinical without Varied hours form)
Feb. 15: Holiday (No class, No Clinical without Varied hours form)
Mar. 8-12: Spring Break (No class, No Clinical without Varied hours form)
Apr 26: 2nd year last day of clinical
(Didactic course work may finish in March. Depending on the individual student, clinical requirements may be completed prior to semester end).
Apr. 26: 1st year last day of clinical

Please see the schedules for Campus Radiography:
