# Weber State University Bookstore Student Access Codes

Your Student Access Code will give you access to RadTechBootCamp. You will need to purchase an Access Code from your program's bookstore.

## Student Access Code Redemption

To redeem your Student Access Code, use the following instructions:

- Navigate to [www.cloverlearning.com](http://www.cloverlearning.com)
- Click 'Resources'
- Click 'Redeem Code'
- Enter your Access Code as it is written. It is case-sensitive and requires the dashes.
- Fill out the rest of the form with the information you want associated with your account.
- Click 'Redeem'

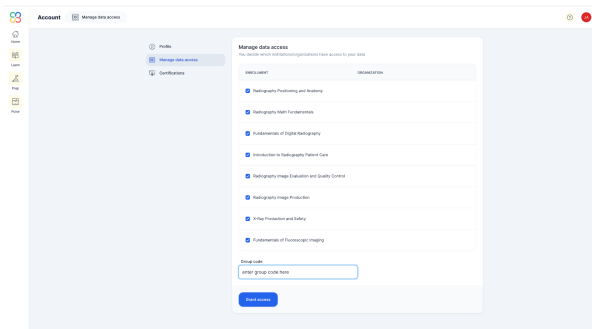

Upon redeeming your Student Access Code, you will gain access to all course content.

\*\*Please note that you will not receive a confirmation email that your access code has been successfully redeemed. If you went through the above process once and try to redeem your code again, you will receive an error message. Please try logging into your account with the email and password you used when setting up your account.

## Group Code Application

To connect to your program's reporting group you will apply a group code from within your activated account. You will find your group code on Weber State University's Canvas. Apply the group code using the following instructions:

- Login to the platform with your username and password
- Click on Manage Data Access
- Select each course you would like to link to your group
- Enter your group code
- Click grant access

## **Access Expiration**

As soon as your Student Access Code is redeemed, the countdown to expiration begins.

For example: If you have a 6-month Student Access Code and redeem it on April 10, 2022 your access would expire on October 10, 2022.

## **Support**

To view a video on how to redeem your student access code or apply your group code, please use the following links:
