December 20 E-Update

Dear Student Affairs Staff,

I hope you all have a very happy, safe, and joyous holiday!

**Staff Updates:** Please join me in congratulating the following staff: Dianna Abel is receiving the Presidential Outstanding Professional Staff Award; Tara Peris had a new baby boy, Titus, on December 6; and Charlie Chandler was elected Conference Committee Chair and At-Large Delegate to the National Association of Veterans and Program Administrators (NAVPA) Board of Directors. In addition, Sharadee Allred won $10 on her Wildcard for participating in our November Division Meeting assessment.

The Shepherd Union and MHTN Architects are receiving a national award at the ACUI conference in St. Louis in March. The "ACUI Facility Design Award of Excellence" honors innovative renovation projects.

**CIC Name Change:** After countless discussions, focus groups with various constituent groups and debates among staff, the Community Involvement Center will officially change their name to Center for Community Engaged Learning as of July 1, 2013. Please stay tuned for more information.

The **2013 Career Fair** will be held January 31 from 9 a.m.-Noon in the Shepherd Union ballrooms. Please help spread the word to students looking for job information.

The new president, **Dr. Chuck Wight**, begins on January 2. A reception for him is scheduled in the ballrooms on January 14 from 3-6 p.m. We are in the process of putting together a Student Affairs briefing book to help orient President Wight to the division. (Thanks, Jessica!) Since he is particularly interested in technology, this is a good time for everyone to make sure your websites are up-to-date. If you need help please contact Dani McKean at daniellemckean@weber.edu or 626-8036.

And speaking of technology, I'd like to remind everyone to turn off unnecessary electrical equipment between semesters if you plan to take time off for the holidays. It will help WSU be more energy efficient.

As always, please send Marlen or me your suggestions or ideas for future
Division E-Updates. See you Next Year!!

Jan
