Dear Student Affairs Staff,

**Staff Updates:** Please join me in welcoming Jamie Brass, Counseling Psychologist, Emily Davidson, Campus Rec. Marketing & Operations Coordinator, Suzanne Aragon, State GEAR UP Administrative Specialist, Jonathan Jacobazzi, Shepherd Union Custodial, and EulogioAlejandre, Student to Student Coordinator, and Robert Leake, State GEAR UP part-time Advisor. In addition, Colin Dunham, is working in Housing for the summer as an ACUHO-I intern.

Unfortunately, we are losing 3 staff members: Damian Choi, Talent Search, has a new job in the Mayor’s office in Salt Lake; Jeannie Gamble, Housing, took a job at USU, and David Paskell (State Gear Up), accepted a position at Westminster College.

Congratulations to Morteza Emami, International Student and Scholar Center, on the birth of his new baby girl.

**Student Affairs Committees:** Serving on a committee or task force is a great way to help contribute to the division’s priorities as well as to interact with colleagues from other areas. If you are interested in serving on a division committees be sure to complete the Committee and Task Force Survey which will be sent out in the next couple of weeks.

To better align with the Fail Labor Standards Act (FLSA), and to recognize the professionalism of all WSU staff, the terminology referring to “professional” and “classified” staff will change as of July 1, 2013. The new terminology will be Exempt and Non-Exempt employees. See PPM 3-2a [http://www.weber.edu/ppm/Policies/3-2a_Fair_Labor_Standards_Act_(FLSA).html](http://www.weber.edu/ppm/Policies/3-2a_Fair_Labor_Standards_Act_(FLSA).html)

The Center for Community Engaged Learning (CCEL) is coordinating the university-wide Engaged Learning Series. As a follow-up to last year’s “Water Works” theme, the 2013-14 theme is "On Air." Topics like air quality, respiratory health, alternative energy, air and music, and more will be explored through exhibits, speakers, civil discourse and deliberations, and community service and research. Visit the CCEL’s new website [www.weber.edu/ccel](http://www.weber.edu/ccel) for a full listing of "On Air" events. Please feel free to contact Sarah Steimel in the CCEL (x7737) to explore ways in which you might integrate "On Air" into your department's activities and programming.

**Upcoming NASPA Conferences:** We are fortunate to have 2 excellent professional development opportunities in our own backyard this fall. The Utah NASPA conference ("Change Ahead: Attract. Support. Retain") will be held at Weber State University on October 4. To register go to [utahnaspa.org](http://utahnaspa.org) or contact Jessica Oyler, conference chair, if you have questions. In addition, the NASPA Western Regional NASPA Conference will be held in Salt Lake City on November 7-9. For more information, go to [http://naspawrc.com/](http://naspawrc.com/).

**Construction/Renovation Updates:** The Davis Campus building will be completed in early July. An opening celebration is scheduled for 5:00 p.m. on Aug. 22. The Wildcat Center (Stromberg expansion) is behind schedule and may not open until late August. The third residence hall in Wildcat Village will be completed in late July with a ribbon cutting on August 14 @ noon.
